PROVIDER ACTION NEEDED

CR 11575 revises Medicare Benefit Policy, Chapter 13 (Rural Health Clinic (RHC) and Federally Qualified Health Center (FQHC) Services) to clarify payment and other policy information.

BACKGROUND

The 2020 update of the Medicare Benefit Policy Manual, Chapter 13 provides information on requirements and payment policies for RHCs and FQHCs, as authorized by Section 1861(aa) of the Social Security Act. The updated manual Chapter 13 is an attachment to CR 11575. The manual changes are as follows:

Section 110.3 - Graduate Medical Education - The Centers for Medicare & Medicaid Services (CMS) revised this section to clarify that Freestanding RHCs and FQHCs may receive direct Graduate Medical Education (GME) payment for residents if the RHC or FQHC incurs the salaries and fringe benefits (including travel and lodging expenses where applicable) of residents training at the RHC or FQHC.

Section 120.1 - Provision of Incident to Services and Supplies - CMS clarified language in this section to show that among the services that are not considered incident to include the services provided by a third party under contract to the RHC or FQHC.

Section 180 - Physical Therapy, Occupational Therapy, and Speech Language Pathology Services - CMS amended this section to clarify that Physical Therapy (PT), Occupational Therapy (OT), and Speech Language Pathology (SLP) services furnished by an RHC or
FQHC practitioner or furnished incident to a visit with an RHC or FQHC practitioner are not billable visits.

Section 230.2 – General Care Management Services – Chronic Care - CMS revised this section to state that Beneficiary consent to receive care management services must be obtained either by or under the direct supervision of the RHC or FQHC primary care practitioner. The consent may be written or verbal and must be documented in the patient’s medical record before furnishing Chronic Care Management or Behavioral Health Integration services.

Section 230.3 – Psychiatric Collaborative Care Model (CoCM) Services - CMS revised this section to emphasize that Beneficiary consent to receive care management services must be obtained either by or under the direct supervision of the RHC or FQHC primary care practitioner. The consent may be written or verbal and must be documented in the patient’s medical record before furnishing psychiatric CoCM services.
