**State of Mississippi**

1.4 **State of Mississippi Medical Care Advisory Committee**

There is an advisory committee to the Mississippi Division of Medicaid on health and medical care services established in accordance with and meeting all the requirements of 42 C.F.R § 431.12.

**Tribal Consultation Requirements**

The Mississippi Division of Medicaid complies with Section 1902(a)(73) and Section 2107(e)(I) of the Social Security Act by seeking advice on a regular, ongoing basis from a designee of the Indian health programs concerning Medicaid and Children's Health Insurance Program (CHIP) matters having a direct impact on Indian health programs and urban Indian organizations. Mississippi has only one federally recognized Tribe and that is the Mississippi Band of Choctaw Indians (MBCI).

The Mississippi Division of Medicaid consults with the MBCI by notifying the MBCI's designee in writing with a description of the proposed change and direct impact, at least thirty (30) days prior to each submission by the State of any Medicaid State Plan Amendment (SPA), and at least sixty (60) days prior to each submission of any waiver proposals, waiver extensions, waiver amendments, waiver renewals and proposals for demonstration projects likely to have a direct impact on Indian health programs, Tribal organizations, or urban Indian organizations (I/T/U) by email. Direct impact is defined as any Medicaid or CHIP program changes that are more restrictive for eligibility determinations, changes that reduce payment rates or payment methodologies to I/T/U providers, reductions in covered services, changes in consultation policies, and proposals for demonstrations or waivers that may impact I/T/U providers. If no response is received from the MBCI within the notification time-frames listed above, the Division of Medicaid will proceed with the submission to the Centers for Medicare and Medicaid Services (CMS).

MBCI designees are the Choctaw Health Center's Deputy Health Director and Director of Financial Services.

If the Mississippi Division of Medicaid is not able to consult with the Tribe within the notification time-frames prior to a submission the Division of Medicaid must e-mail a copy of the proposed submission along with the reason for the urgency to the MBCI designee. The Tribe may waive this notification time-frame requirement in writing via e-mail. If requested, a conference call with the MBCI designee and/or other Tribal representatives will be held to review the submission and its impact on the Tribe. In the event of a conference call, the Division of Medicaid will then confirm the discussion via email and request a response from the designee to ensure agreement on the submission. This documentation will be provided as part of the submission information to CMS.

If the tribe does not respond to the request or responds that they do not agree to the expedited process, the Division of Medicaid will follow the normal consultation timeframes articulated in the preceding paragraph.
