

Medicare Shared Savings Program

Publicly Available ACO Data and ACO Performance Data Sources Maintained by CMS

INTRODUCTION

CMS makes data on Medicare Shared Savings Program (Shared Savings Program) Accountable Care Organizations (ACOs) publicly available through a number of resources. The table below summarizes these sources of publicly available data, the contents of these data files, the format(s) through which the data can be accessed and/or downloaded, and the frequency with which these sources are updated as well as the approximate date when the source was last updated. Members of the public should submit questions about the Shared Savings Program’s publicly available data by email to SharedSavingsProgram@cms.hhs.gov.

Table 1. List of publicly available ACO data and ACO performance data sources maintained by CMS

DATA SOURCE NAME (OR SHORT NAME)	DESCRIPTION	LOCATION	FORMAT	UPDATE FREQUENCY/ LAST UPDATED
Fast Facts – All Shared Savings Program ACOs	Historical program information (including program size, quality data, and shared savings); ACO information (including characteristics, composition, and participation information); and ACO assigned beneficiary population information.	Shared Savings Program website	Static report; PDF	Updated annually; last updated January 2023.
ACO Map	Interactive map of the United States that shows (pinpoint) locations of Shared Savings Program ACOs and displays select ACO-specific details (ACO service area, public reporting website, and executive and public contact name/email/phone).	Visit the Shared Savings Program ACO landing page on Data.CMS.gov and scroll down to “Search for an ACO” in the Visualization section	Map viewable on screen with options for adjusting the view; data display can be customized; data can be exported into comma-separated values (CSV) format.	Updated annually; last updated January 2023.
