

Navigator Grant Recipients for States with a Federally-facilitated or State Partnership Marketplace

Navigators will serve as an in-person resource for Americans who want additional assistance with Marketplace coverage in 2014-2015, including as they shop for and enroll in plans in the Health Insurance Marketplace this fall.

Below are the recipients of the 2014 Navigator grants in Federally-facilitated and State Partnership Marketplaces, grouped by state.

Recipients marked with an asterisk (*) are operating in more than one state. The anticipated grant amount listed in each case only applies to the amount going to that organization for that state's specific operations.

ALASKA

Alaska Primary Care Association

Anticipated grant amount: \$379,495

Alaska Primary Care Association (APCA) will utilize its network of Community Health Centers and private providers to provide Navigator services throughout the state. APCA worked last year with a statewide ACA Educators Coalition and plan to coordinate their outreach efforts with the other Alaska Navigator grantee, United Way of Anchorage.

United Way of Anchorage

Anticipated grant amount: \$203,211

Based on its experience as a Navigator grantee in 2013, United Way of Anchorage will continue outreach and education at the most successful venues this year, with focus on the Anchorage Borough. United Way of Anchorage will work with the Alaska Literary Program which has Peer Health Navigators for outreach to vulnerable and LEP populations.

ALABAMA

AIDS Alabama, Inc.

Anticipated grant amount: \$674,958

AIDS Alabama served as a Navigator grantee in 2013 and will continue to focus on those newly-eligible for health insurance, especially reaching out to lower and middle-income populations.

AIDS Alabama works statewide to help people with HIV/AIDS live healthy, independent lives and works to prevent the spread of HIV. AIDS Alabama Navigators will conduct community-

wide educational events and presentations in an effort to educate Alabamians on the Federally-facilitated Marketplace.

Tombigbee Healthcare Authority

Anticipated grant amount: \$571,620

Tombigbee Healthcare Authority (THA) will continue to place Navigators in 18 counties in the Alabama Delta Region to help consumers understand their federal Marketplace coverage options and find the most affordable coverage that meets their health care needs. As a 2013 Navigator grantee, THA developed a contractual agreement with its existing Delta Rural Access Program (DRAP) partners to expand their program focus. THA will continue to work with these agencies to provide the Delta Region counties access to primary and preventive health care services, education and resources through outreach efforts in schools, churches, community centers, homes, and other community outlets.

ARKANSAS

University of Arkansas

Anticipated grant amount: \$749,370

The Arkansas Navigator Coalition is based out of the University of Arkansas and served as a 2013 Navigator grantee. For year two, it plans to continue serving statewide and will be focused on reaching out to areas of Arkansas with the highest level of uninsured. The Coalition is comprised of agencies serving young adults, Latinos, African Americans, persons who are homeless, mentally ill, living in poverty, or who have disabilities.

Enroll the Ridge

Anticipated grant amount: \$183,286

Enroll the Ridge, a community-based nonprofit organization in Northeast Arkansas, is working with Future Builders, Inc. to conduct outreach, education, and enrollment activities in eleven Arkansas counties. This project will focus on two vulnerable populations, African Americans and Hispanic/Latinos, with the goal of providing greater access to health education and disease prevention.

ARIZONA

Arizona Association of Community Health Centers

Anticipated grant amount: \$1,386,054

The Arizona Association of Community Health Centers has served as Arizona's Primary Care Association since 1985 and continuously strives to fulfill its mission of promoting the development and delivery of affordable and accessible healthcare. The Arizona Association of

Community Health Centers was a 2013 Navigator grantee and will continue to coordinate outreach opportunities throughout Arizona by leveraging its alliance of 37 members with over 220 clinical sites in promoting and facilitating development and delivery of affordable and accessible community-oriented, high quality, culturally-effective primary healthcare for Arizonans.

National Healthy Start Association*

Anticipated grant amount: \$329,559

National Healthy Start Association (NHSA) served as a 2013 Navigator grantee in Wisconsin and West Virginia. It will expand its Healthy Start Navigator Project to several additional states this year. Utilizing its Healthy Start sites, they will provide Navigator services designed to help uninsured consumers prepare their enrollment eligibility forms with the ultimate goal of increasing the numbers of persons who have health care insurance.

DELAWARE

Westside Family Healthcare, Inc.

Anticipated grant amount: \$356,938

Westside Family Healthcare, Inc (WFH) is a federally qualified health center and Navigator staff will serve to expand the critical capacity of its current outreach and education program, which works both internally with existing WFH patients at their in-reach and conducts outreach in the community. WFH has identified target communities and will be working with these communities to strengthen the impact of its program.

Chatman, LLC

Anticipated grant amount: \$243,062

Chatman, LLC will serve as a statewide navigator within the state of Delaware by assisting consumers in accessing health coverage and conducting outreach and public education. Chatman, LLC served as a 2013 Navigator grantee and has extensive experience in the areas of health benefits and the policy and benefits structure of the private health insurance providers.

FLORIDA

University of South Florida

Anticipated grant amount: \$5,386,925

Florida Covering Kids & Families (FL-CKF) is a community and consumer-focused nonprofit initiative of The Lawton and Rhea Chiles Center for Healthy Mothers and Babies, based in the College of Public Health, at the University of South Florida (USF), located in Tampa, Florida and served as a 2013 Navigator grantee. This year, FL-CKF, in collaboration with a state-wide

consortium of 12 organizations, will continue to assist consumers and small employers with the enrollment process and conducting public education activities to raise awareness about the Marketplace.

Epilepsy Foundation of Florida

Anticipated grant amount: \$871,275

The Epilepsy Foundation of Florida is a non-profit organization that served as a 2013 Navigator grantee. The Epilepsy Foundation of Florida plans to continue to coordinate with schools and universities, government agencies, hospitals, and faith-based entities to educate and help enroll consumers in the Marketplace. Particular focus will be placed on Hispanic, African-American, and Haitian consumers, as well as immigrants, persons with disabilities, the LGBT community, and farm and migrant workers.

Pinellas County Board of County Commissioners

Anticipated grant amount: \$535,156

The Board of County Commissioners in Pinellas County, FL served as a 2013 Navigator grantee and will continue working to conduct outreach to vulnerable populations in the region. The Board will provide education, information services and work to facilitate enrollment in qualified health plans or other programs primarily to uninsured residents in Pinellas County in a manner that is sensitive to cultural, linguistic, physical, and educational differences.

GEORGIA

Structured Employment Economic Development Corporation (SEEDCO)*

Anticipated grant amount: \$2,188,392

Seedco served as a 2013 Navigator grantee. They will continue to build on the capacity of their extensive network of 400+ strategically situated affiliates and will add new organizations and referral sources to its web of community-based organizations, academic institutions, government agencies, and private companies, ensuring both broad and deep coverage of target communities in year 2.

Health Care Central Georgia dba Community Health Works

Anticipated grant amount: \$1,135,597

Health Care Central Georgia has formed an alliance of six regional cancer coalitions and other organizations to form the Insure GA consortium. Together, they will target underinsured and uninsured Georgia residents throughout the state by working with area safety net organizations and providing outreach at the point of care (including primary care doctors) sites.

IOWA

Visiting Nurse Services of Iowa

Anticipated grant amount: \$282,007

The Visiting Nurse Services of Iowa served as a 2013 Navigator grantee and will continue to target a cross section of rural and urban, socio-economic mix, and racial disparity this year. It plans to expand its Navigator program to cover 43 of Iowa's 99 counties, home to approximately 69% of the uninsured in Iowa. The Visiting Nurse Services will provide Navigator services through public awareness, education and assistance in enrolling individuals in qualified health plans. They also will continue to coordinate with other organizations with considerable expertise in eligibility, enrollment, and knowledge of other health programs such as Medicaid and CHIP.

Planned Parenthood of the Heartland

Anticipated grant amount: \$218,940

Planned Parenthood of the Heartland (PPHeartland) is a private, non-profit, community-based health care agency that served as a 2013 Navigator grantee in Iowa. This year, PPHeartland plans to have Navigators cover 69 counties and will work with community organizations to identify the best avenues to reach the target population and strategically base Navigators in regions across Iowa.

R&B Receivables Management Corporation d/b/a R&B Solutions*

Anticipated grant amount: \$91,754

R&B Receivables Management Corporation d/b/a R&B Solutions served as a 2013 Navigator grantee in Wisconsin. This year, it will expand its Navigator work into several additional states, targeting low literacy, limited English proficiency, low-income individuals, people with disabilities and other hard-to-reach and uninsured populations. Utilizing existing networks and organizations, it will provide services and conduct outreach and education to its target populations, while also using local media to promote its activities and increase awareness about the Marketplace.

ILLINOIS

Illinois Migrant Council

Anticipated grant amount: \$194,488

Illinois Migrant Council will target low income migrant and agricultural farmworkers, Latino and other rural communities. To more effectively reach its target populations, it plans to host outreach and education events at sites such as farm labor housing, farms, public libraries, service agencies, church halls and community centers.

Genesis Health System

Anticipated grant amount: \$65,480

Genesis Health System served as a 2013 Navigator and will continue to implement a Navigator program through the Genesis Visiting Nurses Association (GVNA). Genesis utilizes existing relationships to aid residents and small businesses in accessing new sources of coverage through the Marketplace.

DuPage County Health Department

Anticipated grant amount: \$176,508

DuPage County Health Department (DCHD) served as a 2013 Navigator grantee and plans to continue implementing its Navigator program targeting hard to reach populations. DCHD has identified younger adults 19 to 34 years of age and small businesses and their employees as the target populations and will coordinate with academic institutions and other community organizations to reach younger adults for education and outreach.

Southern Illinois Healthcare Foundation

Anticipated grant amount: \$600,000

Southern Illinois Healthcare Foundation is a community-based, Federally Qualified Health Center network, with nearly 40 health centers located in seven counties in Southern Illinois. Southern Illinois Healthcare Foundation served as a 2013 Navigator grantee, targeting vulnerable, low income, uninsured and underinsured consumers with low health literacy, as well as Spanish speaking consumers and individuals with disabilities. It will continue to target these populations and conduct outreach through the community health centers in its service area.

A Safe Haven Foundation

Anticipated grant amount: \$406,127

A Safe Haven Foundation is a non-profit organization that has provided housing and supportive services to homeless individuals and their families for 19 years. A Safe Haven served as a 2013 Navigator grantee and worked to raise awareness about the Marketplace and coverage options for vulnerable populations, in particular homeless populations and ex-offenders.

Midwest Asian Health Association (MAHA)*

Anticipated grant amount: \$144,351

MAHA will be targeting the Asian population in the Armour Square, Bridgeport, and McKinley Park communities on the south side of Chicago. It will be serving as a Navigator grantee in Ohio and Michigan as well and plans to conduct outreach and public education that helps inform tri-state target communities about the new opportunities for accessing health care coverage, and assistance paying for health coverage.

VNA Health Care

Anticipated grant amount: \$212,454

VNA Health Care is the largest low income primary health care provider in Kane County, organized as the Visiting Nurse Association of Fox Valley. VNA Health Care served as a 2013 Navigator grantee and will continue its work serving hard to reach populations and customers in their homes, following the successful model used in VNA's skilled home nursing service and during year 1 of the Navigator program.

Beacon Therapeutic School, Inc

Anticipated grant amount: \$261,865

Beacon Therapeutic School will be targeting the working poor, homeless families, unaccompanied homeless teens, individuals with limited English proficiency, and small businesses. Outreach plans include providing mobile, face-to-face bilingual assistance.

Aunt Martha's Youth Service Center, Inc.

Anticipated grant amount: \$240,261

Aunt Martha's Youth Service Center, Inc will create the Proyecto de Navegadores which will focus on assisting uninsured Hispanic consumers in the communities of Joliet, Aurora, and Carpentersville.

R&B Receivables Management Corporation d/b/a R&B Solutions*

Anticipated grant amount: \$463,593

R&B Receivables Management Corporation d/b/a R&B Solutions served as a 2013 Navigator grantee in Wisconsin. This year, it will expand its Navigator work into several additional states, targeting low literacy, limited English proficiency, low-income individuals, people with disabilities and other hard-to-reach and uninsured populations. Utilizing existing networks and organizations, it will provide services and conduct outreach and education to its target populations, while also using local media to promote its activities and increase awareness about the Marketplace.

Garden State Consumer Credit Counseling, Inc. dba Novadebt

Anticipated grant amount: \$142,609

Garden State Consumer Credit Counseling will target under and uninsured, low income individuals with a focus on Veterans, Department of Correction populations in pre-release programs, and the homeless population. Education and enrollment activities will be held at ethnic and multicultural events, local events, health fairs, homeownership clinics and exhibit opportunities.

INDIANA

Affiliated Service Providers of Indiana, Inc.

Anticipated grant amount: \$693,444

Affiliated Service Providers of Indiana, Inc. served as a 2013 Navigator grantee and plans to build on its ASPIN Health Navigator Program and mobile office model created in the first year through coordination with community mental health centers (CMHC) and Ivy Tech Community College. It will focus on 40 counties that overlap CMHCs, Ivy Tech campuses, high Latino populations, and rural areas. The project will also work with the Indiana Minority Health Coalition, Area Health Education Centers, IRHA, SBA, and the Indiana National Guard to provide outreach and enrollment events throughout the State.

Plus One Enterprises, LTD, LLC

Anticipated grant amount: \$116,342

Plus One Enterprises, LTD, LLC is a woman-owned, black-owned, small business based in Anderson, IN and Madison County (east central Indiana). Plus One Enterprises served as a 2013 Navigator grantee and this year will continue serving individuals and employers in Delaware and Madison Counties, focusing on outreach to the Latino and faith based communities.

Indiana Family Health Council, Inc.

Anticipated grant amount: \$755,304

Indiana Family Health Council, Inc. is part of the Indiana Family Planning Partnership (IFPP), which includes the Indiana Department of Health, Indiana Family and Social Services Administration, and the Department of Children. Eight community agencies will serve as subgrantees and together they'll target their existing client base, which largely consists of low-income women of child-bearing age.

R&B Receivables Management Corporation d/b/a R&B Solutions*

Anticipated grant amount: \$147,420

R&B Receivables Management Corporation d/b/a R&B Solutions served as a 2013 Navigator grantee in Wisconsin. This year, they will expand their Navigator work into several additional states, targeting low literacy, limited English proficiency, low-income individuals, people with disabilities and other hard-to-reach and uninsured populations. Utilizing existing networks, they will provide services and conduct outreach and education to their target populations, while also using local media to promote their activities and increase awareness about the Marketplace.

Madison County Community Health Centers, Inc.

Anticipated grant award: \$110,323

Madison County Community Health Centers, Inc. will serve Madison County, Indiana and plans to utilize a facility located in a heavy traffic location to provide outreach and education to walk-in consumers. They will also be targeting individuals with low literacy, limited English proficiency, low-income, people with disabilities, and other hard-to-reach and uninsured populations.

KANSAS

Ascension Health

Anticipated grant amount: \$241,749

Ascension Health is the nation's largest Catholic and nonprofit health system and served as a 2013 Navigator. This year, the Ascension Health Navigator project will continue to assist consumers (individuals and small employers) in understanding the new health insurance programs, taking advantage of consumer protections, and navigating the health insurance system to find the most affordable coverage that meets their needs.

Kansas Association for the Medically Underserved

Anticipated grant amount: \$468,396

The Kansas Association for the Medically Underserved (KAMU) serves as the lead agency and Navigator grantee for the Kansas Marketplace Consortium in 2013, a coalition of 427 safety net clinic, health department, hospital, Community Mental Health Center and Area Agency on Aging locations. In 2014, the Consortium will build on its existing model by recruiting an army of volunteers throughout the state who will complete the Navigator training and who will provide Navigator services in their communities and surrounding areas.

LOUISIANA

Southwest Louisiana Area Health Education Center

Anticipated grant amount: \$1,023,256

The Southwest Louisiana Area Health Education Center (SWLAHEC) was founded in 1991 and aims to improve health status in the region through access to information, education and health services. SWLAHEC served as a 2013 Navigator grantee and this year, to assist Navigators in implementing the program, it has formed an Advisory Panel composed of nine statewide healthcare-related organizations. It will also continue to convene Regional Advisory Panels, which will include consumer representation, to insure meaningful input into the planning and implementation of outreach activities.

Capital Area Agency on Aging, District II, Inc.

Anticipated grant amount: \$110,000

Capital Area Agency on Aging, District II served as a 2013 Navigator grantee and serves a variety of populations, including older and disabled employees, small employers, and refugees being served by the Refugee Resettlement Program.

National Healthy Start Association*

Anticipated grant amount: \$391,846

National Healthy Start Association (NHSA) served as a 2013 Navigator grantee in Wisconsin and West Virginia. It will expand its Healthy Start Navigator Project to several additional states this year. Utilizing its Healthy Start sites, it will provide Navigator services designed to help uninsured consumers prepare their enrollment eligibility forms with the ultimate goal of increasing the numbers of persons who have health care insurance.

MAINE

Western Maine Community Action

Anticipated grant amount: \$520,376

Western Maine Community Action, Inc. is a private non-profit community agency and serves as the lead for a state-wide consortium of eight community action agencies, collectively referred to as the WMCA Community Action Navigator Consortium. As a 2013 Navigator grantee, funds were used to create a statewide network of education, outreach and enrollment assistance available and accessible to every uninsured and under-insured individual in Maine. This year, it will build on this foundation to continue targeting low and moderate income individuals, including the under and uninsured and young adults.

Fishing Partnership Health Plan

Anticipated grant amount: \$79,624

Fishing Partnership Health Plan (FPHP) served as a 2013 Navigator grantee and is a health plan developed to provide subsidized coverage to uninsured commercial fisherman, many of whom operate as small business owners or employees. FPHP will coordinate with the Maine Lobstermen's Association to undertake a series of community health navigation activities, including: outreach; social marketing; distribution of material describing the program, the Affordable Care Act, and the health insurance enrollment process.

MICHIGAN

Arab Community Center for Economic & Social Services (ACCESS)

Anticipated grant amount: \$496,836

ACCESS is non-profit service agency that advocates for, empowers and enables individuals, families, and the Arab, Chaldean, and Bangladeshi American communities in metropolitan Detroit to achieve optimal health and wellness. It served as a 2013 Navigator grantee and this year funds will be used to continue reaching out to and engaging under/uninsured community members through local, multicultural electronic and print media, public access television and radio, and monthly ACCESS and community partner events, like weekly health “Expos” at the three County Public Health Offices.

American Indian Health & Family Services of SE Michigan, Inc.

Anticipated grant amount: \$144,911

American Indian Health and Family Services is a non-profit health organization serving a large number of the uninsured or under insured and also served as a 2013 Navigator grantee. Funds will be used to reach its target audience of American Indians, Alaskan Natives, Latinos, and Asians through the mass mailing of brochures, flyers and informational literature geared toward specific populations, hosting and attending educational forums, increasing social media networking and advertising efforts, publications, and training expert personnel to assist consumers in enrollment and renewals.

Michigan Consumers for Healthcare

Anticipated grant amount: \$1,476,739

The Michigan Consumers for Healthcare (MCH) network served as a 2013 Navigator grantee and includes statewide organizations and local affiliates with deep experience in conducting Medicaid and CHIP outreach and enrollment and health insurance counseling for uninsured and vulnerable individuals and families. This year it will coordinate with 220 organizations across the state, including 60 statewide, regional and local community-based organizations. Using existing networks and infrastructure, it will disseminate educational materials and resources to the low-income, vulnerable populations in every region and county in the state.

Midwest Asian Health Association (MAHA)*

Anticipated grant amount: \$120,141

MAHA will be targeting the Asian population in Oakland, and Wayne counties. It will be serving as a Navigator grantee in Ohio and Illinois as well and plans to conduct outreach and public education that helps inform tri-state target communities about the new opportunities for accessing health care coverage, and assistance paying for health coverage.

Forest County Potawatomi Community

Anticipated grant amount: \$30,410

Forest County Potawatomi Community will coordinate with 16 tribes, with each tribe having its own Navigator outreach office. Navigators will be trained and housed within each tribal community.

MISSOURI

Missouri Alliance of Area Agencies on Aging

Anticipated grant amount: \$954,618

The Missouri Alliance of Area Agencies on Aging has been the leading voice for older adult services, information, and advocacy in Missouri since 1973. During 2013, it served as a Navigator grantee and this year it will continue to provide statewide outreach and education to consumers through wellness events, Area Agencies on Aging (AAA) newsletters, their website, public media, social media, and information call centers such as 211.

National Healthy Start Association*

Anticipated grant amount: \$99,094

National Healthy Start Association (NHSA) served as a 2013 Navigator grantee in Wisconsin and West Virginia. It will expand its Healthy Start Navigator Project to several additional states this year. Utilizing its Healthy Start sites, it will provide Navigator services designed to help uninsured consumers prepare their enrollment eligibility forms with the ultimate goal of increasing the numbers of persons who have health care insurance.

Advanced Patient Advocacy, LLC*

Anticipated grant amount: \$393,022

For nearly 14 years, Advanced Patient Advocacy has worked with health care providers and state and local governments in 21 states to provide services to communities to help educate and enroll uninsured consumers. Advanced Patient Advocacy served as a 2013 Navigator grantee in several states and this year will continue its work with local medical centers to identify uninsured individuals and provide education and assistance to help them make informed decisions about enrollment in the Marketplaces.

Community Action Agency of St. Louis County, Inc.

Anticipated grant amount: \$144,000

Community Action Agency of St. Louis County, Inc. will provide outreach, education and support to achieve the best health insurance coverage possible for residents of St. Louis City and County. It will target the large number of uninsured citizens in the St. Louis area, many of

whom are low to moderate income and eligible for advance payments of the premium tax credit.

MISSISSIPPI

Oak Hill Missionary Baptist Church Ministries

Anticipated grant amount: \$547,875

Oak Hill Missionary Baptist Church Ministries served the lower Mississippi River Delta Region as a 2013 Navigator grantee and this year will expand its work and serve statewide. Oak Hill has trained clergy to be health ambassadors that will reach out to uninsured residents and provide information about enrollment into the Marketplace. It will also utilize local media; attend festivals and fairs throughout the target area with a portable marketing display, network with area businesses and organizations, and make presentations at area churches, organizations, and public agencies to increase awareness and build referrals for Navigator assistance.

University of Mississippi Medical Center

Anticipated grant amount: \$485,049

University of Mississippi Medical Center also served as a 2013 Navigator grantee. It will use this year's grant funds to continue educating and assisting patients in enrolling in Medicaid, CHIP, and the Marketplace. It will continue its coordination with the Mississippi Department of Health Office of Health Elimination Disparity for assistance with education and enrollment efforts. This partnership allows it to focus on communities with higher rates of the uninsured population and coordinates with grassroots efforts to educate Mississippians.

MONTANA

Intermountain Planned Parenthood, Inc. DBA Planned Parenthood

Anticipated grant amount: \$292,459

As a 2013 Navigator grantee, Planned Parenthood of Montana (PPMT) established the Montana Marketplace Connection to assist consumers in navigating the Montana Marketplace. This year, consumers will continue to be able to access assistance from Navigators by scheduling an appointment or as a walk-in to a PPMT health center, calling a hotline or by video conferencing.

Montana Wyoming Tribal Leaders Council

Anticipated grant amount: \$142,140

The Tribal Leaders Council (TLC) includes member Tribes from 7 reservations in Montana and they plan to provide assistance to American Indians residing on and near the Reservations, and in particular, major urban areas. They will utilize existing outreach projects in the communities

by coordinating with tribal health departments and by participating in community health events.

Rural Health Development DBA Montana Health Network

Anticipated grant amount: \$174,666

Rural Health Development is a non-profit consortium of rural health care providers established in 1990 with a strong network of relationships enabling it to bring value to healthcare through cost savings, research and development of products and services in underserved Frontier communities. As a 2013 Navigator grantee, Rural Health Development provided enrollment assistance, through member health care providers, to eastern Montana and will continue to build upon those efforts this year.

NEBRASKA

Community Action of Nebraska, Inc.

Anticipated grant amount: \$552,470

Community Action of Nebraska serves community service organizations and non-profits across the state of Nebraska. The organization will build upon existing statewide infrastructure developed while serving as a 2013 Navigator grantee to continue providing assistance to uninsured Nebraskans seeking health coverage through the Marketplace.

Ponca Tribe of Nebraska

Anticipated grant amount: \$47,530

The Ponca Tribe of Nebraska, also a 2013 Navigator grantee, will use funds to continue providing outreach, education, and enrollment services to American Indians residing in the fifteen counties that constitute the Ponca Service Delivery Area. Funds will be used to hire Ponca Navigators, and assistance will be delivered through their five office locations, in person, and via videoconferencing.

NEW HAMPSHIRE

Bi-State Primary Care Association

Anticipated grant amount: \$454,985

Bi-State Primary Care Association, a nonprofit charitable organization, served as a 2013 Navigator grantee and represents a consortium comprised of 12 health centers and one multicounty rural health network all with the mission of providing individuals and communities with quality, affordable health care. Bi-State plans on using funds to leverage historical experience with community groups, health coverage initiatives, and trusted

relationships with the medically uninsured to build a statewide outreach and navigation infrastructure serving eight counties in the state.

Greater Derry Community Health Services, Inc.

Anticipated grant amount: \$102,786

Greater Derry Community Health Services (CHS) will mobilize its existing networks and experienced staff to focus on providing service to the uninsured residents of the 11 communities within Rockingham County. CHS has learned from prior experience that outreach to schools, physician offices, apartment complexes and retail establishments in addition to Public Service Announcements and Press Releases had a very positive impact on consumer awareness and they plan to leverage these techniques to raise awareness about year 2 of the Marketplace.

NEW JERSEY

Center for Family Services, Inc.

Anticipated grant amount: \$764,613

Center For Family Services, Inc. (CFS) is a nonprofit human services agency with 90 years of experience serving individuals and families across the life span and served as a 2013 Navigator grantee. CFS will again be serving the seven lower southern counties of New Jersey which include: Camden, Burlington, Gloucester, Salem, Atlantic, Cape May and Cumberland. The funds will be used to educate and help enroll consumers in the Health Insurance Marketplace.

Wendy Sykes - Orange ACA Navigator Project

Anticipated grant amount: \$459,002

As a 2013 Navigator grantee, the Orange ACA Navigator Project (OACANP) integrated several existing community-based systems in order to serve as a guide to help uninsured residents and small businesses in underserved and vulnerable populations learn about and enroll in health insurance through the Marketplace. This year, OACANP will continue to help consumers learn about insurance options and assist with enrollment in health plans through the Marketplace.

Community Health Law Project

Anticipated grant amount: \$350,000

The Community Health Law Project will target disadvantaged, vulnerable and disabled citizens that were affected by Super Storm Sandy. It will conduct outreach in coordination with several agencies, such as the Office on Aging and the Disabled, The ARCs, Mental Health Associations, CP and MS chapters, Autism of NJ, Hospital systems, addiction treatment facilities, Senior citizen and Independent Living centers, Disability and Hispanic organizations, Boards of Social Services and District Social Security Offices in Middlesex, Passaic, Monmouth and Ocean counties.

The Family Resource Network, Inc. (FRN)

Anticipated grant amount: \$332,933

FRN is made up of four affiliate organizations: Autism Family Services of NJ, Caregivers of NJ, The Epilepsy Foundation of NJ, and The Family Support Center of NJ. Together, they will target the uninsured residents of Middlesex, Mercer, Monmouth and Ocean counties, with an emphasis on the underserved disability community.

NORTH CAROLINA

Legal Aid of North Carolina

Anticipated award amount: \$2,300,000

Legal Aid of North Carolina will coordinate with a variety of partners around the state to provide Navigator services to literacy, limited English proficiency, low-income individuals, people with disabilities and other hard-to-reach and uninsured populations. The Consortium will recruit an extensive network of volunteers to inform, educate, and enroll the uninsured.

Alcohol/Drug Council of North Carolina

Anticipated grant amount: \$427,610

The Alcohol/Drug Council of North Carolina served as a 2013 Navigator grantee and established Project Jumpstart, implemented by a consortium formed to provide specialized Navigator services to people in recovery from mental illness and/or substance abuse. This year they plan to target people with addiction, young adults, Latinos and uninsured military veterans.

R&B Receivables Management Corporation d/b/a R&B Solutions*

Anticipated grant amount: \$76,795

R&B Receivables Management Corporation d/b/a R&B Solutions served as a 2013 Navigator grantee in Wisconsin. This year, they will expand their Navigator work into several additional states, targeting low literacy, limited English proficiency, low-income individuals, people with disabilities and other hard-to-reach and uninsured populations. Utilizing existing networks and coalitions, they will provide services and conduct outreach and education to their target populations, while also using local media to promote their activities and increase awareness about the Marketplace.

NORTH DAKOTA

Great Plains Tribal Chairmen's Health Board*

Anticipated grant amount: \$148,659

The Great Plains Tribal Chairmen's Health Board (GPTCHB) is a community based consumer focused non-profit that served as a 2013 Navigator grantee. It plans to continue providing enrollment assistance to American Indians residing on and near the eight Reservations in South Dakota, the four Reservations and one Indian Service Area in North Dakota, and those residing in major urban areas served by Urban Indian Health Centers in these two States.

Minot State University - North Dakota Center for Persons with Disabilities

Anticipated grant amount: \$451,342

The North Dakota Center for Persons with Disabilities will use Navigator grant funds to establish a coordinated network of regional assisters. It will continue to provide Navigator support to uninsured and underinsured people, specifically targeting those most at risk of being uninsured in North Dakota, including people with mild disabilities, people with mental health disorders, farmers, young adults, Native Americans, small businesspersons, people who are unemployed and people who are drug or alcohol addicted.

OHIO

Ohio Association of Foodbanks

Anticipated grant amount: \$2,188,846

Since 1991 the Ohio Association of Foodbanks has benefited thousands of people in need in the State of Ohio. The Ohio Association of Foodbanks served as a 2013 Navigator grantee and will continue to provide outreach support through a variety of phone, online, and promotional tools during year 2 of the Marketplace.

Midwest Asian Health Association (MAHA)*

Anticipated grant amount: \$149,397

MAHA will be targeting the Asian population in Delaware, Franklin, Montgomery, Hamilton, Union, and Cuyahoga counties. It will be serving as a Navigator grantee in Illinois and Michigan as well and plans to conduct outreach and public education that helps inform tri-state target communities about the new opportunities for accessing health care coverage, and assistance paying for health coverage.

HRS/Erase, Inc.

Anticipated grant amount: \$275,000

HRS Erase assisted individuals, through the provision of its current eligibility & enrollment work, to apply for premium tax credits and cost sharing reductions during the 2014 open enrollment period. It has developed a comprehensive plan to utilize these skills and continue to assist consumers during year 2 of open enrollment in the Marketplace.

OKLAHOMA

Oklahoma Community Health Centers, Inc.

Anticipated grant amount: \$732,720

Oklahoma Community Health Centers, Inc., a 2013 Navigator grantee, is a consortium comprised of a variety of non-profit organizations that will apply a statewide approach to providing enrollment assistance to Oklahomans. Consortium members will have Navigators located in 57 cities across the state, enabling the consortium to provide services in 45 counties in Oklahoma. Among other activities, funds will be used to target outreach to rural, uninsured populations, including Native Americans, individuals with limited English proficiency, and increased outreach to Burmese and Vietnamese communities.

Little Dixie Community Action Agency, Inc.

Anticipated grant amount: \$556,443

Little Dixie Community Action Agency, Inc. served as a 2013 Navigator grantee and plans to continue providing enrollment assistance to lower income families and individuals in local communities in Oklahoma by increasing its consortium to 16 additional Community Action Agencies across Oklahoma, serving 68 of 77 counties in Oklahoma. Funding will be used to continue providing Navigator services in each of the consortium's targeted service areas, with an emphasis on leveraging existing staff with local ties to be trained as Navigators.

PENNSYLVANIA

Pennsylvania Association of Community Health Centers

Anticipated grant amount: \$809,943

Pennsylvania Association of Community Health Centers (PACHC) represents and supports the largest network of primary health care providers in Pennsylvania. PACHC served as a 2013 Navigator grantee and plans to continue coordinating enrollment assistance efforts in underserved areas throughout the Commonwealth using a connected and networked approach.

Pennsylvania Mental Health Consumers' Association

Anticipated grant amount: \$424,625

Pennsylvania Mental Health Consumers Association (PMHCA) served as a 2013 Navigator grantee and will continue to work in a consortium with Mental Health Association in PA (MHAPA) and Mental Health America Westmoreland County (MHAWC) to provide enrollment assistance to people who use or need behavioral health services in their insurance plans, particularly those who experience serious mental illness or serious psychological distress.

National Healthy Start Association*

Anticipated grant amount: \$163,166

National Healthy Start Association (NHSA) served as a 2013 Navigator grantee in Wisconsin and West Virginia. It will expand its Healthy Start Navigator Project to several additional states this year. Utilizing its Healthy Start sites, it will provide navigation services designed to help uninsured consumers prepare their enrollment eligibility forms with the ultimate goal of increasing the numbers of persons who have health care insurance.

Penn Asian Senior Services

Anticipated grant amount: \$255,000

Penn Asian Senior Services will target Cambodians, Chinese, Korean, South Asian, Vietnamese, and Bhutanese individuals in Montgomery, Bucks, and Delaware counties. Utilizing existing networks and community ties to reach target populations, it will translate, distribute, and publish language-appropriate and culturally relevant information on health insurance selection and coverage.

Young Women's Christian Association of Pittsburgh

Anticipated grant amount: \$250,000

Young Women's Christian Association (YWCA) of Pittsburgh will target underserved African Americans, Latinos and rural populations in Allegheny County. Its outreach campaign will be a combination of face to face education and awareness events, enrollment assistance events and advertising through the use of public service announcements (PSAs).

Consumer Health Coalition

Anticipated grant amount: \$505,000

The Consumer Health Coalition plans to target rural, uninsured, and vulnerable consumers in the state. In particular, it will focus on low income, low literacy, refugees, immigrants and disabled populations. Outreach will be a combination of earned and paid media, targeted mail, and robust coordination with trusted community institutions like churches, libraries, and school districts.

SOUTH CAROLINA

Palmetto Project

Anticipated grant amount: \$1,084,601

Palmetto Project will create a statewide Navigator system by dividing the state into four geographic areas and creating SignUp SC. It will also create a Scheduling Center that will assist residents to select a place and time for counseling and enrollment; a toll-free phone number and website will also be created.

Beaufort County Black Chamber of Commerce (BCBCC)

Anticipated grant amount: \$381,337

Beaufort County Black Chamber of Commerce served as a 2013 Navigator grantee and plans to continue utilizing existing networks and infrastructures within various parts of the region to provide outreach around new coverage options. BCBCC will be conducting workshops, community meetings and individual counseling activities as part of its overall education and outreach efforts.

SOUTH DAKOTA

South Dakota Community Action Partnership

Anticipated grant amount: \$450,000

The South Dakota Community Action Partnership will work with community stakeholders including the South Dakota Departments of Social Services and Labor, SD Parent Connection, community health centers and hospitals, SD Library System, city and county government, SD Department of Corrections, and statewide secondary education establishments, to leverage these groups' existing presence in the communities and further assist in outreach efforts.

Great Plains Tribal Chairmen's Health Board*

Anticipated grant amount: \$250,000

The Great Plains Tribal Chairmen's Health Board (GPTCHB) is a community based consumer focused non-profit that served as a 2013 Navigator grantee. It plans to continue providing enrollment assistance to American Indians residing on and near the eight Reservations in South Dakota, the four Reservations and one Indian Service Area in North Dakota, and those residing in major urban areas served by Urban Indian Health Centers in these two States.

TENNESSEE

Structured Employment Economic Development Corporation (SEEDCO)*

Anticipated grant amount: \$1,407,172

Seedco served as a 2013 Navigator grantee. It will continue to build on the capacity of its extensive network of 400+ strategically situated affiliates and will add new organizations and referral sources to its web of community-based organizations, academic institutions, government agencies, and private companies, ensuring both broad and deep coverage of target communities in year 2.

Advanced Patient Advocacy, LLC*

Anticipated grant amount: \$287,909

For nearly 14 years, Advanced Patient Advocacy has worked with health care providers and state and local governments in 21 states to provide services to communities to help educate and enroll uninsured consumers. Advanced Patient Advocacy served as a 2013 Navigator grantee in several states and this year will continue its work with local medical centers to identify uninsured individuals and provide education and assistance to help them make informed decisions about enrollment in the Marketplaces.

TEXAS

Houston Department of Health and Human Services (HDHHS)

Anticipated grant amount: \$1,830,064

HDHHS plans to focus its efforts in the Houston area by following an Incident Command Structure and leading the Gulf Coast Health Insurance Marketplace Collaborative. HDHHS will hire Navigators, conduct outreach enrollment events, and maintain a call center and website.

United Way of Metropolitan Tarrant County

Anticipated grant amount: \$4,608,000

United Way of Metropolitan Tarrant County has served the people in the Fort Worth and Arlington area of Texas for over 90 years. As a 2013 Navigator grantee, United Way of Metropolitan Tarrant County coordinated with 16 organizations to work across the state and promote enrollment in the Marketplace. This year, it plans to continue its efforts by working in 208 of Texas' 254 counties and targeting families with children, legal immigrants, individuals who lack English proficiency, the disabled, and young adults.

Migrant Health Promotion, Inc. (MHP)

Anticipated grant amount: \$626,180

Migrant Health Promotion (MHP) improves health in farmworker and border communities. As a 2013 Navigator grantee, its project focused on enrolling and educating migrant populations in the Rio Grande Valley of Texas. Learning from last year's successes, this year MHP will work with other members of the RGV Marketplace Assistance Working Group to publicize and hold mass education/enrollment events in each of the Rio Grande Valley's four counties.

Change Happens

Anticipated grant amount: \$1,115,000

Change Happens is a non-profit located in Houston, Texas, that gained experience in conducting community engagement through education, outreach, and developing dynamic relationships with community members while serving as a 2013 Navigator grantee. It plans to capitalize on its expertise in eligibility and enrollment by coordinating with Children's Books on Wheels and the Children's Center, Alliance for Multicultural Community Services, Dia del Mujer Latina, Inc, Lesbian Health Initiative of Houston to conduct public education and outreach activities and assist consumers with enrollment in affordable health insurance.

East Texas Behavioral Healthcare Network (ETBHN)

Anticipated grant amount: \$1,041,280

The East Texas Behavioral Health Network (ETBHN) served the uninsured, underinsured, and self-employed population in 75 counties in Texas as a 2013 Navigator grantee. This year it will continue to assist this population with understanding the new healthcare programs, taking advantage of consumer protections, and navigating the health insurance system in order to find the most affordable coverage that meets their needs.

Light and Salt Association

Anticipated grant amount: \$295,180

Light and Salt Association will target hard to reach Asian Americans in Texas. It will employ several different strategies for outreach and will provide in-person enrollment assistance using different Asian languages to help increase their chances of success.

Primero Health, Inc

Anticipated grant amount: \$221,640

Previously serving as a CAC entity, Primero Health Inc. will rely on volunteers to serve as Navigators. It plans to work with local churches that serve the Latino community and will utilize its involvement with health promotion efforts, such as exercise classes and diabetes management. Additionally, it will continue to conduct outreach through the church communities, including new churches, community events, Spanish TV and radio, and will have walk-ins and appointments available.

UTAH

Utah Health Policy Project

Anticipated grant amount: \$485,198

The Utah Health Policy Project is a nonprofit organization dedicated to lasting solutions to the crisis of the uninsured and rising health care costs. The Utah Health Policy Project served as a 2013 Navigator grantee and will continue the Take Care Utah Navigator Hub that connects nonprofit community-based organizations with resources on health coverage options.

Urban Indian Center of Salt Lake

Anticipated grant amount: \$188,516

Urban Indian Center of Salt Lake will target tribal and urban American Indian (AI) members of the Ute Tribe of the Ouray and Uintah Reservation, the Confederated Tribe of the Goshutes of Ibapah, and the Urban Indian Center of Salt Lake (UICSL) who reside along the Utah's Wasatch Front. It plans to conduct outreach at the Indian Training & Education Center, and by making regular visits to the Native American Trading Post, homeless shelters, domestic violence shelters, and halfway homes.

VIRGINIA

Virginia Poverty Law Center, Inc.

Anticipated grant amount: \$1,274,231

The Virginia Poverty Law Center (VPLC) is a non-profit organization that serves Virginia's legal aid system by providing advocacy, training, and litigation support on civil justice issues that affect low-income Virginians based in Richmond. As a 2013 Navigator grantee, it provided training and technical assistance to the legal aid community and others and worked on health care issues with a wide range of statewide organizations. It will continue to serve as the leader of a statewide consortium of nine well-established legal services programs that are assigned to regions that cover all of Virginia.

Advanced Patient Advocacy, LLC*

Anticipated grant amount: \$617,724

For nearly 14 years, Advanced Patient Advocacy has coordinated with health care providers and state and local governments in 21 states to provide services to communities to help educate and enroll uninsured consumers. Advanced Patient Advocacy served as a 2013 Navigator grantee in several states and this year will continue its work with local medical centers to identify uninsured individuals and provide education and assistance to help them make informed decisions about enrollment in the Marketplaces.

WISCONSIN

Partners for Community Development, Inc.

Anticipated grant amount: \$276,381

As a 2013 Navigator grantee, Partners for Community Development facilitated the enrollment of the uninsured with emphasis on reaching out to Hispanic and Hmong families and other hard-to-reach eligible consumers in Door, Kewaunee, Manitowoc, Ozaukee, and Sheboygan Counties in Wisconsin. This year it will continue to focus its outreach and enrollment efforts on hard-to-reach consumers and families with limited English proficiency.

Northwest Wisconsin Concentrated Employment Program, Inc.

Anticipated grant amount: \$279,886

The Northwest Wisconsin Concentrated Employment Program helped lead a Navigator project in its region as a 2013 Navigator grantee. Using currently trained staff, existing infrastructures, and extensive networks developed in local communities, it will provide Navigator services, including regularly scheduled outreach and enrollment services at 18 existing Wisconsin Job Centers.

The Board of Regents of the University of Wisconsin System

Anticipated grant amount: \$438,136

The Board of Regents plans to place Navigators, responsible for social marketing, website content and field support, in one in each of three service areas. Most of the work will focus on conducting direct consumer outreach using workshops, town halls, enrollment fairs and other events, to include a phone bank. Additionally, volunteers will be utilized to help with organizing events and other basic non-enrollment tasks.

WEST VIRGINIA

Advanced Patient Advocacy, LLC*

Anticipated grant amount: \$ 376,159

For nearly 14 years, Advanced Patient Advocacy has coordinated with health care providers and state and local governments in 21 states to provide services to communities to help educate and enroll uninsured consumers. Advanced Patient Advocacy served as a 2013 Navigator grantee in several states and this year will continue its work with local medical centers to identify uninsured individuals and provide education and assistance to help them make informed decisions about enrollment in the Marketplaces.

National Healthy Start Association*

Anticipated grant amount: \$161,166

National Healthy Start Association (NHTSA) served as a 2013 Navigator grantee in Wisconsin and West Virginia. It will expand its Healthy Start Navigator Project to several additional states this year. Utilizing its Healthy Start sites, it will provide navigation services designed to help uninsured consumers prepare their enrollment eligibility forms with the ultimate goal of increasing the numbers of persons who have health care insurance.

Clay-Battelle Health Services Association

Anticipated grant amount: \$70,000

Clay-Battelle Health Services Association plans to use a combination of media and in-person events at a variety of locations and sites to educate consumers, focusing on rural, uninsured consumers and international students associated with the area university. They will also be providing one-on-one assistance to consumers at their health centers and during outreach events.

WYOMING

Memorial Hospital of Laramie County DBA Cheyenne Regional

Anticipated grant amount: \$465,643

Memorial Hospital of Laramie served as a 2013 Navigator grantee and helped lead "Enroll Wyoming," a statewide effort to reach out to the uninsured in Wyoming. It plans on continuing to reach out to the state's uninsured population through hospitals, safety-net providers, and others to inform people of their coverage options and facilitate enrollment.

Wyoming Senior Citizens, Inc.

Anticipated grant amount: \$134,357

Wyoming Senior Citizens, Inc. is a non-profit that served as a 2013 Navigator grantee to provide eligible citizens with information about programs that can help them enroll in health care. Counselors from the group will continue to provide public information at libraries, senior centers, town halls, etc., and focus on eligible populations in the rural, frontier, and farming communities in Fremont, Hot Springs, Washakie, Big Horn, Carbon, Natrona, Converse, Goshen, and Laramie Counties.
