Termination Notice

REVISED NOTICE TO PUBLIC OF DE-CERTIFICATION OF

Network for Hope

Date: November 2, 2026

Title: Notice to the Public of Network for Hope Organ Procurement Organization De-certification

Notice to Public of De-certification of Network for Hope

On August 5, 2026, the Centers for Medicare and Medicaid Services (CMS) notified the public that CMS determined that Network for Hope (KYDA) no longer meets the requirements for certification as a qualified organ procurement organization (OPO). Notice is hereby given that CMS is extending the effective date of de-certification and termination of Network for Hope's agreement to June 4, 2027, to allow for a transition of the donation service area to another OPO.

No Medicare and Medicaid payments will be made with respect to organ procurement costs attributable to Network for Hope on or after June 4, 2027.

While we understand that this involuntary decertification can be challenging for all parties involved, CMS prioritizes safety and care quality and will work to ensure a smooth transition to another organ procurement organization for this donation service area.

Public notice of termination will be posted on the Survey & Certification website at https://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/SurveyCertificationGenInfo/Termination-Notices.html
