

## **LEGAL PUBLIC NOTICE of MANDATORY TERMINATION FROM MEDICARE/MEDICAID PROGRAM**

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on February 13, 2026, Rosa Coplon Jewish Home and Infirmary, 2700 North Forest Road, Getzville, NY 14068, a skilled nursing facility in the Medicare program, will no longer participate in the Medicare program. The Medicare provider agreement between Rosa Coplon Jewish Home and Infirmary and the Secretary of Health and Human Services (HHS) will be terminated on February 13, 2026, due to the facility's cessation of business.

In addition, as authorized by the State Medicaid Agency, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective February 13, 2026.

The facility has been notified that Medicare will cease to pay for services furnished to Medicare and Medicaid beneficiaries admitted after February 13, 2026. However, payment may continue for up to 30 calendar days for patients admitted on or before February 13, 2026. CMS is committed to patient safety and quality of care.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Mandatory termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. While we understand that relocation of residents and patients can be challenging for all parties involved, CMS prioritizes patient safety and care quality.

For residents, patients, and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:
