Total Payment Obligation to the Claimant (TPOC) Settlement,
Judgments, Awards, or other Payments,
Where the Funds At Issue Have Been Paid Into a Qualified Settlement Fund (QSF)

This ALERT is to announce a limited MMSEA Section 111 reporting exception related to Qualified Settlement Funds (QSFs). This exception is applicable for Responsible Reporting Entities (RREs) for certain liability insurance (including self-insurance), no-fault insurance, and workers' compensation TPOC settlements, judgments, awards, or other payments, where funds have been paid into a QSF under Section 468B of the IRC prior to October 1, 2011. - The settlement, judgment, award, or other payment will be issued by a QSF under Section 468B of the IRC, in connection with a State or Federal bankruptcy proceeding; and,
- The funds at issue were paid into the trust prior to October 1, 2011.
