UPDATE

**Implementation of Medicare Secondary Payer Mandatory Reporting Provisions in
Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007**

(See 42 U.S.C. 1395y(b)(8))

**Teleconference Events for Mandatory Reporting for
Liability Insurance (including Self-Insurance), No-Fault Insurance and Workers'
Compensation**

The CMS will be hosting NGHP Technical Support and NGHP Policy related teleconference events in 2010. The format for the calls will start with opening remarks or a presentation by CMS followed by a question and answer session with the audience.

NGHP Technical Support and Policy Questions and Answers: These calls will address technical support and policy questions regarding Section 111. The technical support questions to be addressed will include the data exchange process, how to use the COB Secure Website for registration, file testing and the data submission process, data transmission and connectivity, the file and record layouts, disposition, error codes and other informational technology questions. A representative of the COBC EDI department will be available to answer questions.

The policy questions to be addressed will focus on the CMS policy supporting Section 111 reporting process such as what is an RRE, what is a reportable event and when and how it should be reported, compliance issues, etc.
