SUBJECT: Revised New York FIDA-IDD-Specific Reporting Requirements and Value Sets
                Workbook

The purpose of this memorandum is to announce the release of the revised Medicare-Medicaid
Capitated Financial Alignment Model Reporting Requirements: New York FIDA-IDD-Specific
Reporting Requirements and corresponding New York FIDA-IDD-Specific Value Sets
Workbook. These documents provide updated technical specifications and applicable codes for
the state-specific measures that the FIDA-IDD Plan is required to collect and report under the
demonstration in accordance with Sections 2.14.3.3 and 2.16.2 of the Three-Way Contract. As
with prior annual update cycles, CMS and the state revised these documents in an effort to
streamline and clarify reporting expectations for the FIDA-IDD Plan.

Please see below for a summary of the substantive changes to the New York FIDA-IDD-Specific
Reporting Requirements as compared to the prior version dated February 26, 2021. While there
were no changes to the New York FIDA-IDD-Specific Value Sets Workbook, the FIDA-IDD
Plan should carefully review the value sets to ensure accurate reporting.

The FIDA-IDD Plan must use the updated specifications and value sets for measures due on or
after May 31, 2022. Should you have any questions, please contact the Medicare-Medicaid
Coordination Office at mmcocapsreporting@cms.hhs.gov.
