1 Introduction
This document lists the changes made to the Submission Data Mapping Document and CSV templates (also known as sample files) for program years 2021 and onwards compared to Program Years 2016-2020 Submission Data Mapping Document/CSV templates.

These changes are being provided to Applicable Manufacturers and Applicable Group Purchasing Organizations (GPOs) to aid in data collection activities for Program Years 2021 and onwards. The changes described in this document should not be implemented for the Program Years 2013 – 2015 Submission Data Mapping Document/CSV templates nor for the Program Years 2016 – 2020 Submission Data Mapping Document/CSV templates.

This document is organized into the following sections:

- General updates;
- Changes to the four tabs of the Submission Data Mapping Document (General Payments tab, Research Payments tab, Physician Ownership tab, and Allowed Special Characters); and
- Changes to CSV templates/sample files.

To understand changes to the Submission Data Mapping Document, follow the steps below:

1. Note which tab in the Submission Data Mapping Document is affected. Then, note the Data Element Name and the Data Element Number (DE#) for a specific entry.
   The change to the Data Element is listed below the Data Element Name and Data Element Number.

2. In the Submission Data Mapping Document, select the affected tab and then find the corresponding Data Element Number, located in Column A. and the Data Element Name listed in Column B.

3. Once you have located the Data Element Name and Data Element Number in the Submission Data Mapping Document, you can match it to the update(s) noted in this document.

2 Changes Made in June 2021

2.1 Changes to the Submission Data Mapping Document
This section of the Change Summary Document lists the changes that were made to the Submission Data Mapping Document in June 2021. This creates version 1.0 of the Program Year 2021 and Onwards Submission Data Mapping Document, as shown in its Revision Log tab.
This Submission Data Mapping Document should be used when submitting payments or other transfers of value for Program Year 2021-Onwards. To submit payments or other transfers of value for a previous program year, refer to the Program Years 2016-2020 Submission Data Mapping Document and 2013-2015 Submission Data Mapping Document.
