Public Notice

Date July 1, 2026
Title Suspension of CLIA Certificate

Dilip Elangbam, CLIA number 39D2042355

On July 16, 2026, the laboratory's CLIA certificate, located at 10 Shady Lane, Ste. 201, Muncy, PA 17756, will be **suspended** due to their failure to meet CLIA requirements. In addition, the laboratory's approval to receive Medicare payments will be canceled. The laboratory was notified on July 1, 2026.

When a laboratory's CLIA certificate is **suspended**, it is required to cease all patient laboratory testing, including waived and provider-performed microscopy testing, regardless of whether or not the laboratory charges for the testing. The laboratory may continue to perform parallel testing on specimens if needed to implement corrective actions; however, the laboratory may not report any test results during the period of suspension.

CMS is committed to patient safety and quality of care.

This action may still be appealable. To verify the certificate status and review the Statement of Deficiencies Report, visit [QCOR](#).
