Additional information about the PERM program is addressed on the CMS PERM website (www.cms.gov/PERM). Refer to the “Providers” link on the website.

Reason for Selection: A claim submitted by or on behalf of you/your organization has been randomly selected for review under this program. The review will be completed by CMS’ review contractor, NCI Information Systems, Inc.

Action: Send a Copy of Original Documentation: Federal regulations require that you provide the medical record documentation to support claims for Medicaid/CHIP services upon request². Please submit documentation as soon as possible, but no later than the due date provided below which is 75 days after the date of this initial request letter. A written response is required by the due date even if you are unable to locate the requested documents. **Providing medical records for Medicaid/CHIP beneficiaries does not violate the Health Insurance Portability and Accountability Act (HIPAA). Patient authorization IS NOT REQUIRED for the release of the requested documentation.** CMS and its contractors will remain in compliance with the Privacy Act and regulations. No reimbursement can be made for the cost of record reproduction or mailing.

When: [[MedrecDueDate]]

Please provide the requested documentation by [[MedrecDueDate]]. **A response is still required by [[MedrecDueDate]] even if you are unable to locate the requested information.**

Instructions for Submitting Requested Records/Documentation

To comply with this request, providers should review the attached Claim Summary page that identifies the specific patient, date of service, and the service(s) selected for review. Gather the documents shown on the attached Cover Sheet which are generally those needed to support the billed service(s). Please be sure that documentation (Notes, Plan of Care, etc.) issued from electronic records are signed and dated (electronic signature acceptable if permitted by state regulations). Once the documents are gathered, please choose **ONE** of the following methods to submit the records/documentation to the PERM Review Contractor.

1. Fax

- a) Place PERM Cover Sheet on top of each record submission.
- b) If your facility has *more than one* PERM ID request, please fax each submission separately.
- c) Please submit documentation for each PERM ID in as few fax transmissions as possible.
- d) Fax documents to: **1-804-515-4220**

- c) Please do not staple or paper clip any pages together.
- d) If you choose to send the documentation on USB Flash Drive, CD, or DVD, the file(s) must be *encrypted*. Please submit the password for the encrypted USB Flash Drive, CD, or DVD via email to PERMRC_Encryption@nciinc.com and include the PERM ID in the subject line. **Please note that USB flash drives cannot be returned to providers.**

3. Electronic Submission of Medical Documentation (esMD)

Providers with an established relationship with a Health Information Handler (HIH) are encouraged to have their HIH submit the requested medical documentation via the gateway to **Electronic Submission of Medical Documentation (esMD)**. **If your facility does not have an established relationship with an HIH, esMD will not be an available submission method.** For more information, see <http://www.cms.gov/esMD/>. Please ensure that any documents submitted through esMD are routed to PERM NCI Inc.

If you choose to submit medical records via CMS's esMD system, you must enter the Reference ID (PERM ID #) from the records request letter into the ESMD CASEID field. If you enter any other information in this field, the system will not be able to identify the record automatically which will result in additional processing time.

NOTE: We are not authorized to reimburse providers/suppliers for the cost of copying or mailing records. Therefore, we cannot accept invoices for copying service fees.
