

## DISCLAIMER

The Centers for Medicare & Medicaid Services (CMS) is making the Web-broker Federally-facilitated Marketplace (FFM) Registration Completion List ("Web-broker List") available to the public pursuant to Section 1312(e) of the Affordable Care Act and 45 C.F.R. §155.220, and Routine Use No. 11 of the System of Records Notice required by the Privacy Act of 1974 (5 U.S.C. §552a), titled, "Health Insurance Exchanges (HIX) Program" (No. 09-70-0560), published at 78 Fed. Reg. 8,538 (February 6, 2013), as amended and published at 78 Fed. Reg. 32,256 (May 29, 2013), and at 78 Fed. Reg. 63,211 (October 23, 2013).

CMS regulations establish additional requirements that apply when an agent or broker uses their own website, or that of another agent or broker, to facilitate enrollment in a qualified health plan through the FFM. CMS refers to such agents or brokers who enroll qualified individuals, employers, and employees through public-facing websites as "web-brokers."

The information within the Web-broker List may be used only for the following purposes:

1. To confirm that a web-broker has successfully completed registration requirements for the FFM for the individual market and/or the Federally-facilitated Small Business Health Options Program (FF-SHOP); and
2. To allow states and other stakeholders to conduct oversight, monitoring, and enforcement activities related to web-brokers, and to educate consumers about web-brokers who may provide assistance to consumer who are interested in obtaining health care coverage through the FFM in their states.

The information contained in the Web-broker list may be used and/or disclosed only to the extent necessary to accomplish these purposes and never to discriminate inappropriately.

All national producer numbers (NPNs) and other web-broker information are self-reported by the agent or broker and should be validated against state and/or other National Association of Insurance Commissioners records to confirm state licensure.

This list contains the names of web-brokers who have completed FFM registration (including execution of the required agreements) for the 2015 plan year. This list is current as of April 1, 2015 and we anticipate updating the information on a monthly basis. As a reminder, pursuant to 45 C.F.R. 156.340, issuers still have the obligation to confirm their affiliated agents, brokers, web-brokers, and other downstream or delegated entities comply with all federal and state licensure, certification, and other applicable requirements.
