¹ Issuers with a current QIS on file should review the information they included in criterion 24d of their QIS Implementation Plan.

8d. **Modifying QIS Goals:** For modified Goal(s), indicate which Goal(s) you are modifying and state the new Goal(s) in the space provided below. Please do not include specific performance targets or goals tied to a specific calendar year or plan year because this Modification Summary Supplement will remain on file, and references to specific years or performance targets will become outdated over time:
