I. GENERAL INFORMATION

A. Background: Beginning on January 01, 2021, through the VBID Model, participating Medicare Advantage Organizations (MAOs) can include the Medicare hospice benefit in their benefits package. Eligible MAOs can also voluntarily participate in the Hospice Benefit Component of the Model. Currently, when a Medicare Advantage (MA) enrollee elect hospice, Fee-for-Service Medicare becomes responsible for most services while the MA organization retains responsibility for certain services (for example, supplemental benefits). Under the VBID Model, the participating MAOs are responsible for coverage and payment of all services, including hospice.

CMS requires participating MAOs to communicate with hospice providers in the service area of their participating plans. Enrollees of participating MA plans may seek hospice care with any Medicare-certified hospice provider.

Hospice providers:

1. Should communicate with MA plans regarding any questions about the model, billing, coverage and enrollment.
2. Must submit claims and notices to participating MA plans to receive payment when their enrollees elect to receive hospice care.
3. Submit claims and notices to their Medicare Administrative Contractor for informational purposes.

B. Policy: Section 1115A of the Social Security Act (the Act) (42 U.S.C. § 1315a, added by section 3021 of the Patient Protection and Affordable Care Act) authorizes CMS to test innovative healthcare payment and service delivery models that have the potential to lower Medicare, Medicaid, and Children's Health Insurance Program (CHIP) spending while maintaining or improving the quality of patient care.

Centers for Medicare & Medicaid Services

DATE: November 14, 2022
TO: Medicare-enrolled Hospice Providers
FROM: Center for Medicare & Medicaid Services (CMS) Innovation Center
SUBJECT: IMPORTANT NOTICE: Billing Information Update Beginning January 1, 2023

Starting in January 2021, some plans offered by certain Medicare Advantage Organizations (MAOs) include the Medicare hospice benefit in their benefits package as part of a CMS Innovation Center Model. Under the Model, the participating MAOs are responsible for coverage and payment of all services covered by Original Medicare, including hospice. In 2023, the Model expanded to additional states and plans.

CMS is here to help you prepare for this new Model year.

Which MAOs are in the Model for 2023?

New Participants
<ul style="list-style-type: none"> • Highmark Health with plans in select counties in Pennsylvania • Louisiana Health Service & Indemnity Company with plans in select counties in Arkansas, Louisiana, and Mississippi • Marquis Companies I, Inc. with plans in select counties in Oregon • SCAN Group with plans in select counties in California
Returning Participants
<ul style="list-style-type: none"> • Cambia Health Solutions, Inc. with <i>returning</i> plans in select counties in Oregon, Utah, and Washington • Catholic Health Care System with <i>returning</i> plans in select counties in New York • CVS Health Corporation with <i>new and returning</i> plans in select counties in Ohio and Pennsylvania • Elevance Health, Inc. with <i>new and returning</i> plans in select counties in Puerto Rico • Guidewell Mutual Holding Corporation with <i>new and returning</i> plans in select counties in Puerto Rico • Hawaii Medical Service Association with <i>returning</i> plans in select counties in Hawaii • Humana Inc. with <i>new and returning</i> plans in select counties in Colorado, Florida, Georgia, Indiana, Kentucky, Ohio, Virginia, and Wisconsin • Kaiser Foundation Health Plan, Inc. with <i>new and returning</i> plans in select counties in California • Presbyterian Healthcare Services with <i>returning</i> plans in select counties in New Mexico • UnitedHealth Group with <i>new and returning</i> plans in select counties in Alabama, Illinois, Oklahoma, and Texas • Visiting Nurse Service of New York with <i>returning</i> plans in select counties in New York

NOTE: Only SELECT plans are participating in the Model. CMS published a spreadsheet listing all plans, also known as plan benefit packages (PBPs), offered by the MAOs participating in the Model: <https://bit.ly/2023HospiceMAOs>. This spreadsheet contains plan contacts under the tab “CY23 VBID Hospice MAO Contact.” Additionally, you can find contact information for MAOs that participated in previous years, but will not participate in 2023, in the same spreadsheet. You should continue to bill these non-returning MAOs for hospice care delivered to patients whose elections began when the non-returning MAO was in the Model.

Some of the MAOs participating in the Model in 2023 are returning participants because they offered plans under the Model in 2022 and/or 2021. You may currently provide hospice care to a patient with coverage from a participating plan in 2022, who remained enrolled in that plan and elected hospice in 2022, and their hospice stay extends into 2023. If this occurs, continue to bill the plan through the end of the patient’s hospice stay. You may also currently provide hospice care to a patient with coverage from a participating plan in 2021, who remained enrolled in that plan and elected hospice in 2021, and their hospice stay extends into 2023. If this occurs, continue to bill the plan through the end of the patient’s hospice stay. If you provide hospice care to a patient with coverage from a new plan in 2023, these changes only apply if the patient’s hospice election begins on or after January 1, 2023.

4 Things to Know About Claims for Patients in this Model:

1. You must send all notices and claims to **both** the participating MAO **and** your MAC. The MAO will process payment, and the MAC will process the claims for informational and operational purposes and for CMS to monitor the Model.
2. If you contract to provide hospice services with the plan, be sure to confirm billing and processing steps before January 1, 2023, as they may be different.

Note: While we encourage you to reach out to participating MAOs about contracting opportunities, you are not required to contract. If you choose not to contract, a participating MAO must pay you at Original Medicare rates for Medicare-covered hospice care.

3. The Model doesn’t permit prior authorization requirements around hospice elections or transitions between different levels of hospice care.
4. Please keep in mind that a patient may travel for their hospice care so you may see a patient enrolled in one of the participating plans offering coverage not in your service area. For example, a patient with coverage from a participating plan whose service area is in Ohio may travel to receive hospice care from you in Florida. You should submit all notices and claims to the plan in Ohio.
