I. GENERAL INFORMATION

A. Background: The purpose of this Change Request (CR) is to update the DMEPOS fee schedule on a quarterly basis, when necessary, in order to implement fee schedule amounts for new and existing codes, as applicable, and apply changes in payment policies. The update process for the DMEPOS fee schedule is located in publication 100-04, Medicare Claims Processing Manual, chapter 23, section 60.

Payment on a fee schedule basis is required for certain Durable Medical Equipment (DME), prosthetic devices, orthotics, prosthetics, and surgical dressings by Subsection (§)1834(a), (h), and (i) of the Social Security Act (the Act). In addition, payment on a fee schedule basis is a regulatory requirement at 42 Code of Federal Regulations (CFR) §414.102 for Parenteral and Enteral Nutrition (PEN), splints, casts and Intraocular Lenses (IOLs) inserted in a physician's office. The DMEPOS and PEN fee schedule files contain Healthcare Common Procedure Coding System (HCPCS) codes that are subject to fee schedule adjustments using information on the payment determined for these items under the DMEPOS Competitive Bidding Program (CBP), as well as codes that are not subject to the CBP or fee schedule adjustments.

Section 1834(a)(1)(F)(ii) of the Act mandates adjustments to the fee schedule amounts for DME items included in the CBP for payment of the items in areas that are not Competitive Bidding Areas (CBAs). Section 1842(s)(3)(B) of the Act provides authority for adjustments to the fee schedule amounts for enteral nutrients, equipment, and supplies (enteral nutrition) based on information from the CBP. The methodologies for adjusting DMEPOS fee schedule amounts under this authority are established at 42 CFR §414.210(g).

The Coronavirus (COVID-19) Aid, Relief, and Economic Security (CARES) Act, 2020 and the Consolidated Appropriations Act, 2023

Section 3712 of the CARES Act was signed into law on March 27, 2020. Additional information on section 3712 of the CARES Act is available in Transmittal 10016, Change Request 11784, dated May 8, 2020. Sections 3712 (a) and (b) of the CARES Act, respectively, require the following:

- a. For items and services subject to the fee schedule adjustments furnished in rural or non-contiguous areas, the fee schedule amounts will continue to be based on a blend of 50 percent of the adjusted fee schedule amounts and 50 percent of the unadjusted fee schedule amounts (i.e., no change from the current fee schedule amounts) through December 31, 2020, or the duration of the COVID-19 public health emergency, whichever is later.
- b. For items and services subject to the fee schedule adjustments furnished in non-rural contiguous non-CBAs, the fee schedule amounts will be based on a blend of 75 percent of the adjusted fee schedule amounts and 25 percent of the unadjusted fee schedule amounts (i.e., an increase in the fee schedule amounts) for claims with dates of service beginning March 6, 2020, and continuing until the end of the COVID-19 public health

emergency.

On December 29, 2022, the Consolidated Appropriations Act (CAA), 2023 was signed into law. Section 4139 of this legislation requires that the fee schedule amounts for items and services furnished in non-rural contiguous non-CBAs continue to be based on a blend of 75 percent of the adjusted fee schedule amounts and 25 percent of the unadjusted fee schedule amounts for claims with dates of service for the remainder of the COVID-19 public health emergency or December 31, 2023, whichever is later. Also, payment for items and services subject to the fee schedule adjustments furnished in rural and non-contiguous areas continues to be based on a blend of 50 percent of the adjusted fee schedule amounts and 50 percent of the unadjusted fee schedule amounts in accordance with 42 CFR 414.210(g)(9) for claims with dates of service for the remainder of the COVID-19 public health emergency or December 31, 2023, whichever is later. In accordance with the provisions of the CAA of 2023, payment for items and services furnished in all areas (i.e., rural, non-contiguous and non-rural contiguous non-CBAs) will continue to be adjusted in the manner required by CAA for claims with dates of service through December 31, 2023.

Fee Schedule Adjustment Relief for Rural and Non-Contiguous Areas

On December 28, 2021, the Centers for Medicare & Medicaid Services (CMS) published a Medicare DMEPOS final rule in the Federal Register (86 FR 73860) docket rule number CMS-1738-F/CMS1687-F/CMS-5531-F. In accordance with this final rule, although the methodology for the 50/50 blended rates described above were initially transitional rates, the methodology is used to establish the fully adjusted fee schedule amounts for rural and non-contiguous non-CBA areas for items furnished beginning on the date immediately following the duration of the emergency period or December 31, 2023, whichever is later. The final rule is available at <https://www.cms.gov/medicare/medicare-fee-for-service-payment/dmeposfeesched>

The ZIP code associated with the address used for pricing a DMEPOS claim determines the rural fee schedule payment applicability for codes with rural and non-rural adjusted fee schedule amounts. The DMEPOS Rural ZIP code file contains the ZIP codes designated as rural areas. ZIP codes for non-continental Metropolitan Statistical Areas (MSA) are not included in the DMEPOS Rural ZIP code file. The DMEPOS Rural ZIP code file is updated on a quarterly basis as necessary. Regulations at §414.202 define a rural area to be a geographical area represented by a postal ZIP code where at least 50 percent of the total geographical area of the ZIP code is estimated to be outside any MSA. A rural area also includes any ZIP Code within an MSA that is excluded from a competitive bidding area established for that MSA. A former CBA ZIP code file contains the competitive bidding area ZIP codes used in pricing a claim for an item furnished in a CBA and will be updated on a quarterly basis as necessary.

Additional information on the 2023 DMEPOS fee schedules is available in program instructions:

January 2023 Update for DMEPOS Fee Schedule, Transmittal 11722, Change Request 13006
