	Change Request 14618

SUBJECT: Instructions for Retrieving the January 2027 Medicare Physician Fee Schedule Database (MPFSDB) Datasets from the Cloud Service

I. SUMMARY OF CHANGES: The purpose of this Change Request (CR) is to provide instructions for the Medicare contractors to download, test, and implement the datasets for the annual January MPFSDB update. In addition, Medicare contractors will need to be prepared to implement up to three revised MPFS payment datasets for the January update in the event that technical errors are discovered or any other corrections are required. This recurring update notification applies to Publication 100-04, Chapter 23, Section 30.1.

EFFECTIVE DATE: January 1, 2027

**Unless otherwise specified, the effective date is the date of service.*

IMPLEMENTATION DATE: January 4, 2027

Disclaimer for manual changes only: The revision date and transmittal number apply only to red italicized material. Any other material was previously published and remains unchanged. However, if this revision contains a table of contents, you will receive the new/revised information only, and not the entire table of contents.

III. FUNDING:

For Medicare Administrative Contractors (MACs):

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

II. GENERAL INFORMATION

A. Background: The purpose of this CR is to provide instructions for the Medicare contractors to download, test, and implement the datasets for the annual January MPFSDB update.

The Centers for Medicare & Medicaid Services releases a recurring CR each year for the annual January MPFS update. This CR provides the Medicare contractors with instructions on how they will receive the datasets for downloading, testing, and implementation of the annual January MPFS update. In addition, Medicare contractors will need to be prepared to implement up to three revised January MPFS payment datasets in the event that technical errors are discovered or any other corrections are required.

B. Policy: Contractors shall follow the instructions for retrieving the annual January MPFS datasets as stated in Publication 100-04, Chapter 23, Section 30.1.
