Transmittal 3403	Date: November 9, 2015
	Change Request 9357

Transmittal 3403 has been rescinded and replaced by Transmittal 3429, dated December 22, 2015, for the following reasons:

The New Influenza Virus Vaccine Code 90630 was effective August 1, 2015, and remains in effect. In order to address claims processing issues that were brought to the attention of the Centers for Medicare & Medicaid Services (CMS), business requirements 9357.6 and 9357.7 have been revised to indicate that coinsurance and deductible do not apply for professional claims with the influenza virus vaccine code 90630. Additionally, the original business requirement 9357.8 has been revised and 9357.9 was added. Medicare Administrative Contractors (MACs) have been instructed to process and pay for professional claims with dates of service on or after August 1, 2015. All other information remains the same.
