Plan Year 2017 FFM Registration and Training for Agents and Brokers New to the FFMs

FFM Registration and Training Overview

Welcome to Agents and Brokers for Plan Year 2017!

Thank you for your interest in becoming a plan year 2017 FFM agent or broker!

- Check out the Kick-off Message from Kevin Counihan, CMS' Chief Executive Officer of the Marketplace and Director of the Center for Consumer Information & Insurance Oversight (CCIIO), on the Agents and Brokers Resources webpage (<http://go.cms.gov/CCIIOAB>).
- To the extent permitted by states, licensed agents and brokers assist consumers in applying for qualified health plans (QHPs) and insurance affordability programs, including premium tax credits and cost-sharing reductions.
- They also play a crucial role in educating consumers about the Health Insurance Marketplaces, both during annual Open Enrollment and throughout the coverage year.

Prior to assisting consumers, you should:

- Understand the standards under 45 CFR 155.220, which authorize agents and brokers to assist consumers with selecting and enrolling in QHPs offered through the FFMs.
- Be familiar with 45 CFR 155.260, which outlines the limits on how agents and brokers may use any information gained as part of providing assistance and services to a qualified individual.
- To better understand the standards under CFR 155.220 and 155.260, review the guidance on CMS' Agents and Brokers Resources webpage at: <http://go.cms.gov/CCIIOAB>.

Registration and Training Overview

- Registration for plan year 2017* is now available through the CMS Enterprise Portal (<https://portal.cms.gov/>).
- Agents and brokers who wish to participate in the FFMs for the first time must complete the following actions on the CMS Enterprise Portal:
 - Create an account
 - Request the FFM Agent/Broker role
 - Complete remote identity proofing through the Enterprise Identity Management (EIDM) System
- Agents and brokers who participated in the FFMs for plan year 2014 or 2015, but who did not participate for plan year 2016, have a CMS Enterprise Portal account and have completed identity proofing, but **will need to request the FFM Agent/Broker role when they log in.**

** 45 CFR § 155.20 defines “plan year” as a consecutive 12-month period during which a health plan provides coverage for health benefits. A plan year may be a calendar year or otherwise.*

Registration and Training Overview (continued)

Agents and brokers who wish to participate in the FFMs for plan year 2017 must also complete the following actions:

1. Complete/update their agent/broker profile on the MLMS via the CMS Enterprise Portal
2. Enroll in the required Marketplace training (i.e., Individual and/or SHOP) on the MLMS or through a CMS-approved vendor via the CMS Enterprise Portal
3. Complete the applicable training courses and pass the exams through the MLMS or through a CMS-approved vendor via the CMS Enterprise Portal
4. Read and accept the applicable Marketplace Agreement(s) on the MLMS

Agents and brokers who participated in the FFMs during plan year 2016 already have an agent/broker profile on the MLMS, and those that participated in the Individual Marketplace are eligible to take streamlined Refresher Training to complete the plan year 2017 Individual Marketplace training requirement.

Registration and Training Overview (continued)

While most of the registration steps are the same as in plan year 2016, there are a few new features for plan year 2017:

New Features for FFM Agent and Broker Registration for Plan Year 2017

Plan Year 2017	Plan Year 2016
Identity proofing must be completed before an agent or broker is able to access the MLMS.	Identity proofing could be completed before or after completing FFM training.
Registration Completion Certificates will include the date when the agent or broker completes the plan year 2017 FFM registration requirement.	Registration Completion Certificates did not include the date that the agent or broker completed the plan year 2016 FFM registration requirement.

Registration and Training Overview (continued)

- For plan year 2017, CMS has 11 training modules available:
 - Welcome
 - Affordable Care Act Basics
 - Marketplace Basics
 - Individual Marketplace Eligibility for Enrolling in a Qualified Health Plan (QHP)
 - Individual Marketplace Eligibility for Insurance Affordability Programs
 - Individual Marketplace Enrollment
 - Privacy Standards and Definitions
 - Protecting and Handling Personally Identifiable Information (PII)
 - Information Security
 - SHOP Marketplace Employer
 - SHOP Marketplace Qualified Employee
- CMS will only be offering training in English for plan year 2017.

Depending on the market segment (i.e., individual or SHOP Marketplace) in which an FFM-registered agent or broker is assisting consumers, the training requirements vary.

Registration and Training Overview (continued)

CMS has four exams associated with the training modules:

- Affordable Care Act and Marketplace Basics
- Individual Marketplace
- Privacy and Security Standards
- SHOP Marketplace

Registration and Training Overview (continued)

While most of the training content is the same as in plan year 2016, there are a few new features for plan year 2017:

New Features for FFM Agent and Broker Training for Plan Year 2016

Plan Year 2017	Plan Year 2016
Agents and brokers who participated in the FFMs for the Individual Marketplace for plan year 2016 are eligible to take a streamlined Refresher Training, either through the MLMS or a CMS-approved vendor, regardless of who they completed the plan year 2016 training through.	Agents and brokers who participated in the FFMs for the Individual Marketplace for the previous plan year had to retake the full agent and broker training for the current plan year.
CMS-approved vendors automatically send records of training completions to the MLMS.	Agents and brokers had to enter confirmation codes into the MLMS to confirm completion of CMS-approved vendor training.
Agents and brokers choosing training through the MLMS will enroll in curricula; course-level enrollment is not available.	Agents and brokers choosing training through the MLMS could enroll by course, potentially leading to confusion about which courses to enroll in.

Registration and Training Overview (continued)

Agents and brokers must execute the Agreement(s) associated with the Marketplace(s) they are participating in:

- **Individual Marketplace General Agreement:** Includes terms for complying with federal and state laws, rules, standards, and policies.
- **Individual Marketplace Privacy and Security Agreement:** Includes privacy and security policies for protecting consumers' PII. The FFM privacy standards are consistent with the eight principles outlined in 45 CFR 155.260(a).
- **SHOP Marketplace Privacy and Security Agreement:** Includes privacy and security policies for protecting consumers' PII. The FFM privacy standards are consistent with the eight principles outlined in 45 CFR 155.260(a).

Registration and Training Overview (continued)

Upon successful completion of the FFM registration requirement, an agent or broker is able to generate a Registration Completion Certificate specific to the market segment(s) (i.e., individual and/or SHOP Marketplaces) for which he or she signed the Agreement(s).

- The QHP issuer(s) with which an agent or broker is affiliated may request to view his or her Registration Completion Certificate(s).
- However, QHP issuers are instructed to review the Agent and Broker FFM Registration Completion and Termination Lists published by CMS via the Agents and Brokers Resources webpage at <http://go.cms.gov/CCIIOAB> to confirm the current registration status of agents and brokers.

Ensuring Agents' or Brokers' NPNs Are Associated with Their Profiles

Agents and brokers must enter a correct NPN in their MLMS profiles to receive credit for completing FFM registration.

- The NPN can be up to 10 digits long and must not begin with a zero.
- The NPN must not include any special characters or letters.
- The NPN is generally not the same as an agent's or broker's state license number. Agents and brokers should be sure to use their NPNs, not a state license number.
- To update the NPN, agents and brokers can select the “Complete Agent Broker Training” hyperlink and update the information in their MLMS profiles.
- Agent and broker NPNs can be found at: www.nipr.com/PacNpnSearch.htm.

Agents and brokers should confirm their NPNs are correct in their MLMS profiles. Entering an inaccurate NPN could result in denial of compensation/credit by an issuer.

Plan Year 2017 FFM Registration and Training for Agents and Brokers New to the FFMs

***FFM Agent and Broker
CMS-approved Vendor
Training Option***

CMS-approved Vendor Training Option

- For plan year 2017, CMS has approved two vendors to offer FFM training to agents and brokers to fulfill the plan year 2017 training requirement.
- The CMS-approved vendors for plan year 2017 are:
 - **America's Health Insurance Plans, Inc. (AHIP):** For more information go to <https://www.ahipexchangetraining.com/file.php/1/public/About.html>
 - **National Association of Health Underwriters (NAHU):** For more information go to: <http://www.nahu.org/education/ffmtraining/index.cfm> or for CEU credit information visit <https://www.netstudy.com/nahu>

CMS-approved Vendor Training Option (continued)

- Agents and brokers who chose to complete training through a CMS-approved vendor must access the vendor's training via the CMS Enterprise Portal and should not go directly to the vendor's website to access the training content.
- CMS-approved vendors may charge a fee to agents and brokers that choose to take their training.
- Agents and brokers who complete FFM training through a CMS-approved vendor still need to execute the applicable Agreement(s) on the MLMS prior to assisting consumers seeking to enroll in coverage through the FFMs.

CMS-approved Vendor Training Option (continued)

The benefits of completing training through a CMS-approved vendor include:

- CMS-approved vendors are required to offer continuing education unit (CEU) credits in a minimum of five states where the FFMs are operating (45 CFR § 155.222). The states where CEUs are offered may vary by CMS-approved vendor. Note: information on CEUs offered by each CMS-approved vendor is found in the CMS Enterprise Portal “Agent/Broker Training Options” page by selecting on the “Learn More” link.
- Completion of a training curriculum, including the associated exams, through one of the CMS-approved vendors fulfills the FFM training requirement for agents and brokers registering to participate in the Individual Marketplace.
- CMS-approved vendors are required to cover, at a minimum, the same topic areas that are covered in the CMS training.
- All CMS-approved vendors offer Refresher Training to returning Individual Marketplace agents and brokers.

Step 5: Agent or Broker Completes Training

The steps for completing agent and broker training differ depending upon the training option an agent or broker chooses. Agents and brokers have two options for training via the CMS Enterprise Portal:

- CMS-developed training through the MLMS
- Training offered through CMS-approved vendors

We will first walk through the steps for completing training through the MLMS in Step 5a, and will then discuss the process for completing training via a CMS-approved vendor in Step 5b.

Step 5a: Agent or Broker Completes MLMS Training

- After completing your MLMS Profile, you will be redirected to the “MLMS Landing Page” on the MLMS. Scroll down to find “Training Options.”
- Identify the curriculum you wish to enroll in, and hover your cursor over the “Actions” link to the right of that curriculum.

The top screenshot shows the MLMS training portal with the URL <https://portalval.cms.gov/wps/myportal/cmsportal/mlms/training>. The page includes a navigation bar with 'Portal Help & FAQs', 'Print', 'Log Out', and 'Welcome Jane Doe'. The main content area has a 'How to Get Started' section with instructions on how to begin training. Below this, there are sections for 'Agent Broker Announcements' and 'Agent Broker Resources'. A red banner indicates a system issue: 'Important: Please use either Chrome or Firefox to complete training. The system is producing errors & resolve this issue.' The bottom screenshot shows the 'Training Options' table with a red arrow pointing to the 'Actions' link for a specific curriculum.
