Request for Feedback: Coordination of Benefits & Recovery Webinar Topics

The Division of Medicare Secondary Payer Program Operations (DMPO) seeks to solicit feedback from the external stakeholder community regarding webinar topics of interest.

DMPO regularly hosts webinars for the Coordination of Benefits and Recovery (COB&R) program. With this alert, DMPO is specifically soliciting feedback on webinar topics of interest from the COB&R stakeholder community (Group Health Plan and Non-Group Health Plan insurers, attorneys, beneficiaries, and more) to better align future webinar and other outreach topics with stakeholder needs and interests.

DMPO requests that any person or entity wanting to share feedback/ideas do so no later than **July 1, 2026**. Feedback need not be in any formal format or follow any particular parameters. DMPO will take all feedback into consideration but is unable to guarantee that all feedback will be used for future webinar topics. Comments received after the above date may still be considered for future webinar topics.

All submissions should be e-mailed to the new mailbox relating to all Coordination of Benefits and Recovery (COB&R) inquiries:
