

**Rhode Island Integrated Care Initiative
Summary of Changes to the Three-Way Contract**

The three-way contract was re-executed on August 1, 2020 with the following changes:

- Updated the new demonstration end date to December 31, 2023 (4.1.2.1.) and applicable provisions throughout (e.g., savings percentages and quality withhold measures for Demonstration Years 6 through 8) (4.2.3.1., 4.4.7.6.).
- Updated the terms of the medical loss ratio (MLR) to increase the target MLR in Demonstration Years 5, 6 and 7 and adjust the applicable provisions for remittance (4.3.2.1, 4.3.2.2).
- Updated the terms of the Quality Withhold Measures to increase the withhold to 4% for Demonstration Years 5-7 (4.4.7.6.1.).
- Updated contract renewal timeframes consistent with the updated scheduled end date (5.9.1.).
- Added a new Appendix L – Additional Medicare Waivers to include a previously established waiver to allow dually eligible beneficiaries to change enrollment on a monthly basis and a new waiver related to the network adequacy methodology being specific to the dually eligible population instead of all Medicare beneficiaries (Appendix L).
