**LEGAL NOTICE of
TERMINATION FROM MEDICARE PROGRAM**

Effective January 21, 2017, the Secretary of the Department of Health and Human Services terminated its Medicare/Medicaid agreement with M E Home Health in Mesquite, TX. This action is being taken because this Home Health Agency (HHA) is not in compliance with the Conditions of Participation in the Medicare program as established by the Social Security Act (Sections 1861(dd)), and its underlying regulations.

As a result of a Revocation of Medicare billing privileges, the Medicare and Medicaid programs will not pay for home health services that M E Home Health furnishes to patients who are admitted on or after January 21, 2017. However, payment may be available for up to 30 days after the effective date of termination for home health services furnished to patients under a plan of care established before January 21, 2017.
