**LEGAL NOTICE OF MEDICARE/MEDICAID TERMINATION
OF PROVIDER AGREEMENT**

Texas General Hospital
2709 Hospital Blvd
Grand Prairie, TX 75051

On October 18, 2018, the Medicare agreement between Texas General Hospital and the Secretary of Health and Human Services, relating to the hospital's participation in the Medicare and Medicaid program will be terminated. The cause for Medicare/Medicaid termination is Texas General Hospital's failure to meet the minimum health and safety standards required for Medicare program participation. The hospital does not comply with the Medicare/Medicaid Conditions of Participation.

As a result of the continuing non-compliance during the surveys conducted on May 23, 2018, June 7, 2018, August 2, 2018, and September 14, 2018, the Medicare and Medicaid programs will not make payments for hospital services furnished to Medicare/Medicaid eligible patients on or after October 18, 2018. For patients admitted prior to October 18, 2018, payment may be available for up to 30 days after the effective date of termination.
