

Texas Medicare-Medicaid Demonstration Summary of Changes to the Three-Way Contract

The three-way contract was re-executed on April 1, 2024 with the following changes:

- Made revisions throughout to reflect new Medicaid managed care regulations and align with Texas Medicaid program requirements, such as updating citations, and adding definitions of new terms.
 - Changes to align with the carve-in of nonemergency medical transportation (NEMT) services due to House Bill (H.B.) 1576, 86th Legislature, Regular Session, 2019
 - Changes to contact requirements for provider terminations
 - Reworded compliance section (Section 2.1.3) to more closely track STAR+PLUS terms and conditions.
 - Updated all contact information and appendices for HHSC staff and contracts.
- Performed general clean-up and made technical changes to streamline provisions.
- Included changes executed in previous extension amendments, as this contract rescinds and replaces any prior versions.
