**REVISED**

**Implementation of Medicare Secondary Payer Mandatory Reporting Provisions in  
Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007**

(See 42 U.S.C. 1395y(b)(8))

**Teleconference Events for Mandatory Reporting for  
Liability Insurance (including Self-Insurance), No-Fault Insurance and Workers'  
Compensation**

The CMS will be hosting NGHP Technical Support and NGHP Policy related teleconference events in 2010. The format for the calls will start with opening remarks or a presentation by CMS followed by a questions and answer session with the audience.

**NGHP Policy and Technical Support Questions and Answers:** These calls will answer technical and policy questions you have regarding the Section 111. The technical support questions to be address will include the data exchange process, how to use the COB Secure Website for registration file testing and data submission process, data transmission and connectivity, the file and record layouts, disposition and error codes and other information technology questions. A representative of the COBC EDI department will be available on these calls. The policy questions and answers calls will focus on CMS policy supporting the Section 111 reporting process such as what is an RRE, what is a reportable event and when and how it should be reported, compliance issues, etc. A number of the calls will combine the policy and technical support issues.
