SPECIAL VETERAN HIRING AUTHORITIES

**VETERANS’ RECRUITMENT APPOINTMENT (VRA)** is an excepted authority that allows agencies to appoint eligible veterans without competition, if you:

- Served during a war or are in receipt of a campaign badge for service in a campaign or expedition, **OR**
- Are a disabled veteran, **OR**
- Are in receipt of an Armed Forces Service Medal for participation in a military operation, **OR**
- Are a recently separated veteran (within the last 3 years), **AND**
- Separated under honorable conditions (this means an honorable or general discharge).

You can be appointed under this authority at any grade level up to and including a GS-11 or equivalent. This is an excepted service appointment. After successfully completing 2 years, you will be converted to the competitive service. Veterans’ preference applies when using VRA authority.

**30% OR MORE DISABLED VETERAN** allows any veteran with a 30% or more service-connected disability to be non-competitively appointed. You are eligible if you:

- Retired from active military service with a service-connected disability rating of 30% or more, **OR**
- You have a rating by the Department of Veterans Affairs showing a compensable service-connected disability of 30% or more.

**SCHEDULE AHIRING AUTHORITY** Though not specifically for veterans, the Schedule A authority for people with disabilities, 5 CFR 213.3102(u), is an excepted authority that agencies can use to appoint eligible veterans who have a severe physical, psychological, or intellectual disability. A service-connected disability rating is not required for this appointment, though a Schedule A Letter would be required. More information regarding the Schedule A hiring authority can be found at [https://www.opm.gov/policy-data-oversight/disability-employment/hiring/](https://www.opm.gov/policy-data-oversight/disability-employment/hiring/).
