

LEGAL PUBLIC NOTICE of MANDATORY TERMINATION FROM MEDICARE/MEDICAID PROGRAM

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on August 27, 2025, **Princess Anne Health & Rehabilitation Center, 1948 Landstown Centre Way, Virginia Beach, VA 23456**, a skilled nursing facility in the Medicare program, will no longer participate in the Medicare program. The Medicare provider agreement between Princess Anne Health & Rehabilitation Center and the Secretary of Health and Human Services (HHS) will be terminated on August 27, 2025, due to the facility's failure to meet Medicare's basic health and safety requirements.

In addition, as authorized by the STATE MEDICAID AGENCY, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective August 27, 2025.

The facility has been notified that Medicare will cease to pay for services furnished to Medicare and Medicaid beneficiaries admitted after May 27, 2025. However, payment may continue for up to 30 calendar days for patients admitted on or before May 27, 2025. CMS is committed to patient safety and quality of care. We are closely monitoring the relocation of Medicare and Medicaid patients to other facilities.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Mandatory termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. In this instance, CMS has determined that Princess Anne Health & Rehabilitation Center is out of compliance with CMS's health and safety requirements. While we understand that relocation of residents and patients can be challenging for all parties involved, CMS prioritizes patient safety and care quality.

For residents, patients, and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:
