Activity Description:

This presentation will explore how health information is changing, opportunities for collaboration in the CDC Surveillance Strategy, and key areas of data collaboration among CDC, state and local public health agencies and CMS.

Target Audience:

Physicians and other Health Care Professionals

Learning Objective:

By the end of this presentation, learners will be able to identify how health information is changing, opportunities for collaboration in the CDC Surveillance Strategy, and key areas of data collaboration among CDC, state and local public health agencies and CMS.

Participation:

Register for the webinar, participate in the webinar and access and complete the assessment and evaluation.

Speaker Bios & Disclosures:

Chesley Richards, MD, MPH, developer/presenter, is the Deputy Director for Public Health Scientific Services at CDC, as well as the Director of the National Center for Health Statistics, the MMWR and Vital Signs publications, the Epidemic Intelligence Service and other scientific training programs, the Guide to Community Preventive Services, and a broad range of cross-cutting epidemiology, public health surveillance and laboratory services. OPHSS has approximately 1,000 staff and campuses in Atlanta, Hyattsville, and Research Triangle Park. Chelsey Richards has nothing to disclose. This activity was developed without commercial support.

Credits Available:

Accreditation Council for Continuing Medical Education (ACCME)

The Centers for Medicare & Medicaid Services designates this **enduring activity** for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Credit for this course expires August 13, 2015.

IACET International Association for Continuing Education and Training (IACET)

The Centers for Medicare & Medicaid Services (CMS) is authorized by IACET to offer .1 CEU for this program. CEU will be awarded to participants who meet all criteria for successful completion of this educational activity. CEU credit for this course expires August 13, 2015.
