<sup>1</sup>Totals include beneficiaries enrolled in employer/union only group plans (contracts with an "800 series" plan IDs). Where a beneficiary is enrolled in both an 1876 cost or PFFS plan and a PDP plan, both enrollments are reflected in these counts.

<sup>2</sup>Pilots refer to contracts to provide care management services for fee-for-service beneficiaries with chronic conditions. The data for this product are being included since they are part of the total monthly Medicare payment.

NOTES: Totals reflect enrollment as of the November 1, 2007 payment. The November payment reflects enrollments accepted through October 17, 2007.
