MEMORANDUM

DATE: July 26, 2007

FROM: Director, Provider Billing Group
Center for Medicare Management

Director, Medicare Contractor Management Group
Center for Medicare Management

Project Officer, Medicare Contractor Management Group
Center for Medicare Management

SUBJECT: Medicare Prescription Drug, Improvement, and Modernization Act
of 2003 (MMA), Section 506

TO: All Fiscal Intermediaries (FIs) and All Part A and Part B Medicare
Administrative Contractors (A/B MACs)

Section 506 of the MMA, entitled Limitation on charges for inpatient hospital contract health services provided to Indians by Medicare participating hospitals, requires that Indian Health Programs pay Medicare-like rates for patients that receive hospital services outside of the Indian Health Service (IHS).

The Centers for Medicare & Medicaid Services (CMS) is in the process of training Contract Health Services Programs of the IHS operated by IHS, Tribes, Tribal Organizations, and other programs operated by urban Indian organizations on Medicare fee-for-service payment.

The purpose of this joint signature memorandum/technical direction letter (JSM/TDL) is to inform Medicare contractors, which process inpatient hospital claims, that they may be requested to provide information to the above entities in order that the hospital services may be paid appropriately with Medicare-like rates. Since the web-based Pricers will assist them with the prospective payments, they need the Medicare cost-to-charge ratio in order to price reasonable cost claims. We have given them a list of Medicare contractors and have instructed them to contact the Audit and Reimbursement Department by telephone for cost-to-charge ratios.

Attached is a copy of the Federal Register notice.
