**DATE:** June 03, 2026

**TO:** New York AIPs

**FROM:** Nishamarie S. Mills  
Deputy Director, Medicare-Medicaid Coordination Office

**SUBJECT:** New York AIP D-SNPs: Updates to Contract Year 2027 Member ID card

CMS and the state of New York have revised the CY 2027 Member ID Card model for use of the integrated plan (AIP) D-SNPs operating in New York. New York AIP D-SNPs may only use this CY 2027 Member ID Card for CY 2027 as directed by CMS and the state. The updated model, which accompany this memorandum, replaces the models previously issued on May 4, 2026.

The model includes the following updates to the Member ID card:

- We deleted the NYRx group and PCN lines.
- We added a footnote and updated the font color to note that the NYRx information included on the Member ID Card does not apply to AIP D-SNPs exclusively aligned with Medicaid Advantage Plus (MAP). This information is only required for AIP D-SNPs exclusively aligned with the Integrated Benefits for Dually Eligible Enrollees (IB-Dual) Program.
- We added a footnote and updated the font color to note that the NYRx member services and support phone numbers are only required for AIP D-SNPs exclusively aligned with the Integrated Benefits for Dually Eligible Enrollees (IB-Dual) Program.

This memorandum and the attached models will also be posted to the Medicare-Medicaid Coordination Office's "D-SNPs: Integration & Unified Appeals & Grievance Requirements" webpage at <https://www.cms.gov/medicaid-chip/medicare-coordination/qualified-beneficiary-program/d-snps-integration-unified-appeals-grievance-requirements> grouped alphabetically by state under the "Model Materials" heading.
