Subject: Update to PDPFS Reference Data for Maximum Fair Price (MFP) Validations

CMS has updated the MFP reference data used by the PDPFS module to reflect the Entresto changes that became effective June 1, 2026.

Organizations that received validation errors must resubmit their files to clear outstanding errors prior to the Week 1 submission deadline of **Thursday, June 4th at 12:00 p.m. ET.**

We apologize for any inconvenience this issue may have caused and appreciate your patience.
