MAO/PDPs should also be aware that all information is approximate and subject to change. The MMA Help Desk will communicate any changes to the schedule that occur after this memo is published.

**Medicare Beneficiary Database (MBD) Beneficiary Address Resynchronization**

CMS has addressed the underlying issue that caused a number of beneficiary's addresses to become out of synch in MBD.

In order to correct this information, CMS will be running a resynchronization process to correct this beneficiary data. MAO/PDPs should expect to see a successful notification along with one or more of the following TRCs:

- TRC 085 – State and County Code Change
- TRC 138 – Beneficiary Address Change to Outside the U.S.
- TRC 154 – Out of Area Status

Payment adjustments may also occur.

**Sunday, October 12, 2008**

At this time, **no cleanups are scheduled** for inclusion on October 12<sup>th</sup> regular weekly TRR. The file will follow the standard naming convention:
