SUBJECT: Special Notice on Compensation Structure Requirements

DATE: October 24, 2008

CMS is aware that there is significant concern about agent/broker commissions for benefit year 2009. As a result, we are rescinding our October 8, 2008 guidance document. We are working on ways to address the concern and expect to take regulatory action next week. We strongly suggest that you keep this in mind as you contemplate making any final arrangements regarding commission structures.
