

CENTER FOR DRUG AND HEALTH PLAN CHOICE

DATE: December 30, 2009

TO: All Part D Plans

FROM: Cynthia G. Tudor, Ph.D., Director
Medicare Drug Benefit and C & D Data Group

SUBJECT: Submission of 2009 Beneficiary-Level Medication Therapy Management (MTM) Program Data

The Centers for Medicare & Medicaid Services (CMS) requires that certain Part D organizations submit beneficiary-level Medication Therapy Management (MTM) program data for Contract Year (CY) 2009. If your organization is required to submit MTM data in HPMS for Section I of the Part D Reporting Requirements, then you must also submit MTM data files for Section II.

CMS will be prepared to begin receiving the MTM data submissions on January 1, 2010 with data due no later than **February 28, 2010**. This memo is intended to provide information regarding the submission process.

Methods of Transmission

You will be submitting your CY 2009 beneficiary-level MTM data using the secure CMS Enterprise File Transfer (EFT) infrastructure that you currently use to submit other beneficiary-specific information to CMS. You will use your existing Gentran or Connect:Direct service to upload your beneficiary-level MTM data files. If you utilize the services of a 3rd party vendor to submit information to Gentran or Connect:Direct, please notify them that you are required to submit beneficiary-level MTM data so that, if you desire, they can submit the file you create.

Record Layout and Naming Conventions

You must use the record layout provided in **Appendix A** for the submission of your CY 2009 beneficiary-level MTM data.

Accompanying this memo is also a sample MTM file submission; please use this as a guide.

Important Reminder: You must submit a separate file for each contract number.

Additionally, you must use the following file naming conventions to submit your data:

For Gentran Mailbox Users: guid.racfid.MTM.freq.ccccc.FUTURE.P

For Connect:Direct Users: P#EFT.IN.MTMP.Rcccc.DYYMMDD.THHMMSST

Code Key:

guid – IACS assigned GUID

racfid – RACFID if available; else literal NONE

freq – Freq code of file (use A for ad-hoc)

cccc – Contract Number (e.g., H0000)

yymmdd – year, month, day

hhmsst – hour, minute, second, tenth of second

If Connect:Direct users include “DYYMMDD.THHMMSST” in the incoming file name as a literal value, Connect:Direct will automatically convert the value to the current date and time.

In addition, Connect:Direct users must include an end of file marker (i.e., mark the file with an enter or a new line after the last record is written).

Validation Process and Response Files

CMS, with contractor support from Fu Associates, will access your beneficiary-level MTM data through the same secure EFT system, perform validations on your data, and provide you with a response file to indicate acceptance of the file or to indicate corrections that are needed.

- If you use Gentran to submit your data, then you should expect to see the following response file name: P.Rcccc.MTMRSP.Dyymmdd.Thhmsst.pn.
- If you use Connect:Direct to submit your data, then you should expect to see the following response file name: site-HLQ.Rcccc.MTMRSP.Dyymmdd.Thhmsst.

Please refer to **Appendices B and C** for sample response files, **Appendix D** for the response file layout, and **Appendix E** for a listing of the reasons for rejection.

Fu Associates is performing this activity under contract to CMS and is accountable for adhering to Federal laws and regulations regarding security and confidentiality of personally identifiable information and PHI. If your response file indicates that corrections are needed, please resubmit or have your 3rd party vendor resubmit **a complete replacement file** for your contract number as soon as possible.

If you need access to Gentran or Connect:Direct, please contact the MAPD Help Desk at 1-800-927-8069 or mapdhelp@cms.hhs.gov.

For technical questions about the 2009 beneficiary-level MTM file specifications and submission process, please contact the HPMS Help Desk at either 1-800-220-2028 or HPMS@cms.hhs.gov.

For general questions about the 2009 beneficiary-level MTM data, please contact the Part D Plan Reporting mailbox at partd-planreporting@cms.hhs.gov.
