CENTERS for MEDICARE & MEDICAID SERVICES

## INDUSTRY OUTREACH

To discuss activities related to the  
Collection of Encounter Data from Medicare Advantage Organizations for Risk Adjustment

Friday, October 29, 2010

10:00 a.m. – 4:30 p.m., Eastern Time

CMS Auditorium • Baltimore, MD

The **PURPOSE** of this meeting is to discuss Encounter Data collection as well as offer Medicare Advantage Organizations (MA) and Third Party Submitters an opportunity to ask questions.

### TOPICS

- Approach to the Collection of Encounter Data
- Implementation Schedule
- Transition Plans from RAPS to the EDPS
- Transition Plans from ICD-9 to ICD-10
- High-level Requirements
- Introduction to Workgroups

*The agenda will include presentations by CMS Encounter Data Project Team.*

**Registration** is required and will be on a first-come, first-serve basis with a limit of two attendees per parent organization to be physically present. It is recommended CEOs, CFOs, and others who are responsible for resource allocation attend.

**PLEASE NOTE:** Persons who are not registered in advance will not be permitted into the Federal Building and thus not be able to attend the meeting. Persons attending the meeting at CMS will be required to show a valid drivers' license before entering the building.

**Web Option** will be available for additional staff. Registration is required for access to the meeting.

Online Registration  
Begins  
September 20, 2010
