## I. EXECUTIVE SUMMARY

---

### Background

Empire HealthChoice HMO, Inc. (Anthem) is a health insurance issuer that offered qualified health plans (QHPs) in the individual market State-Based Exchange (SBE) in New York (NY) during the 2016 benefit year. Anthem submitted its final restated 2016 benefit year data in the October 2018 Enrollment and Payment Data Workbook (EPDW). The issuer received a total of \$20,012,151.12 in advance payments of the premium tax credit (APTC) from the Centers for Medicare & Medicaid Services (CMS) and reported a total of \$139,864,309.56 in premiums for its 2016 benefit year individual market plans.

This report is an assessment, conducted in coordination with the SBE, of Anthem's compliance with the APTC program established in sections 1401 and 1412 of the Patient Protection and Affordable Care Act (Pub. L. 111–148) enacted on March 23, 2010, and further amended and revised by the Health Care and Education Reconciliation Act of 2010 (Pub. L. 111–152) enacted on March 30, 2010 (collectively referred to throughout as PPACA), and implementing regulations. This report also details the results of the assessment of premiums for information purposes only.

### Audits to Determine Compliance with the Administration of APTC Program

Under title 45 of the Code of Federal Regulations (CFR) sections [155.1210](#) and [156.480](#), the Department of Health and Human Services (HHS) may audit<sup>1</sup> issuers that offer a QHP in the individual market through an Exchange to assess the degree of compliance with the APTC program requirements. HHS designates CMS to conduct these audits and to achieve the following objectives:

- Safeguard Federal funds;
- Instill confidence amongst regulated entities of data quality, soundness, and robustness;
- Evaluate health insurance issuer compliance with program rules and regulations; and
- Develop a successful and coordinated risk-based, multi-year audit program that maximizes resources.

This audit is part of CMS's program to validate the enrollment and payment data reported in the final 2016 EPDW submitted by the issuer, and to analyze controls and policies of selected issuers pursuant to the authority defined in 45 CFR §§ 155.1210 and 156.480.

---

<sup>1</sup> To provide the flexibility needed when standing up a new oversight program and to ensure that issuers are able to provide CMS with their most accurate data, audit protocols allow for dialogue between auditor and issuer to identify and correct errors in data submission that differ somewhat from some independence and reporting standards laid out under Generally Accepted Government Auditing Standards (GAGAS). These procedures were defined and executed consistent with the competence, integrity, and analytical discipline required for performance audits as defined by GAGAS.

The findings and observations are documented below. If CMS found an instance of issuer non-compliance with APTC program requirements that requires correction to the APTC reported in the final EPDW, then CMS classified it as a *finding*. If CMS found a deviation from CMS or Exchange requirements that we are calling to the attention of management for purposes of improving compliance in future program years, but that does not require correction to payment, then CMS categorized it as an *observation*.

## **Results of Review**

CMS identified three (3) findings and five (5) observations for Anthem. The net APTC financial impact of the three (3) findings is an overstatement of \$19,274.30 in APTC in the final EPDW and therefore a payment due to CMS of \$19,274.30, consisting of APTC to be returned to CMS. The net premium impact of the five (5) observations is an overstatement of \$49,701.63 in premiums in the final EPDW. The findings and observations include the following:

### **Findings:**

1. Differences in APTC amounts identified in the comparison of the issuer's data included in the October 2018 EPDW submitted by Anthem to a Payment Desk Audit File containing subscriber level data from Anthem's systems;
2. Inclusion of incorrectly prorated APTC payment data for seven (7) subscribers in the Payment Desk Audit File; and
3. Inclusion of incorrect APTC for two (2) of the forty-five (45) selected subscribers in the Payment Desk Audit File.

### **Observations:**

1. Differences in premium amounts identified in the comparison of the issuer's data included in the October 2018 EPDW submitted by Anthem to a Payment Desk Audit File containing subscriber level data from Anthem's systems;
2. Inclusion of enrollment and premium data in the Payment Desk Audit File for one (1) subscriber with coverage that was not effectuated in the issuer's systems and inclusion of enrollment for thirty (30) subscribers who did not pay all outstanding premiums prior to the end of the three (3) month grace period;
3. Inclusion of incorrectly prorated premium data for eighteen (18) subscribers in the Payment Desk Audit File;
4. Inclusion of enrollment and premium data for one (1) subscriber with a coverage period of five (5) days or fewer that was not effectuated in the Payment Desk Audit File; and
5. Inclusion of incorrect premium for one (1) of the forty-five (45) selected subscribers in the Payment Desk Audit File.

Please refer to section IV for details on the findings and observations listed above, including the condition, cause, effect, corrective actions, and the issuer's responses.

---

## **II. BACKGROUND, OBJECTIVES, SCOPE, AND METHODOLOGY**

---

### **A. Background**

Sections 1401 and 1412 of the PPACA established the APTC program to support the provision of affordable health care coverage to individuals.

CMS has the responsibility to confirm successful implementation of, and adherence to, the PPACA provisions and implementing regulations governing the APTC program. As such, CMS established this audit program.

#### **Interim Payment Process**

In 2014, CMS implemented a temporary process (“interim payment process”) to calculate and make monthly payments of APTC and advance cost-sharing reduction (CSR) amounts. CMS used this interim payment process to calculate payments for all SBE issuers for the 2014-2017 benefit years. CMS transitioned most SBE issuers to policy-based payments (PBP) in 2018 and transitioned the last SBE to PBP in 2020.

For the 2016 benefit year, the interim payment process required SBE issuer submitters, including issuers in NY, to self-report enrollment and payment data on a monthly basis, including any adjustments to previous months’ requests, via manual submission of an EPDW, and to attest to the accuracy of the data. SBE issuer submitters were required to calculate the QHP enrollment and payment amounts and to submit that information in the EPDW using their internal source data.

CMS calculated and made monthly payments based on the QHP data submitted in the EPDW. While using this interim process, CMS designed and implemented a robust set of internal controls within a larger program integrity framework to ensure payment accuracy. CMS required submitters to send the following QHP plan information at the variant level via the password-protected template:

1. State
2. Tax Identification Number (TIN)
3. Health Insurance Oversight System (HIOS) ID
4. QHP ID
5. Total premium amount for all enrollments
6. Total APTC amount
7. Total advance CSR amount
8. Total effectuated enrollment groups
9. Total effectuated enrollment groups with APTC
10. Total effectuated enrollment groups with advance CSR
11. Total effectuated members
12. Total effectuated members with APTC
13. Total effectuated members with advance CSR

CMS conducted a SBE payment close-out process for the 2016 benefit year in which CMS compared the EPDW data against the policy-level reporting (PLR) data submitted by the SBE. The PLR data was based on the monthly submissions that SBEs sent to the Internal Revenue Service (IRS) for reporting purposes and contained cumulative individual market enrollment APTC data. CMS requested that SBEs append an additional field for the QHP ID for each policy and separately submit the data to CMS for this purpose. CMS asked SBEs or SBE issuers to explain any outlier discrepancies between EPDW and PLR data and to re-submit the EPDW, if necessary, or to verify that payment data was accurate despite discrepancies with PLR data.

## **B. Regulations Governing APTC Program**

CMS established an audit protocol to assess health insurance issuers' compliance with the following regulations governing APTC program:

- [45 CFR § 155.1210](#): Maintenance of Records;
- [45 CFR § 156.460](#): Reduction of enrollee's share of premium to account for advance payments of the premium tax credit; and
- [45 CFR § 156.480](#): Oversight of the administration of the cost-sharing reductions and advance payments of the premium tax credit programs.

Please refer to Appendix 2 for the specific requirements established under the authorities listed above.

## **C. Objectives**

The objectives of this audit are to:

- (1) Evaluate the accuracy and integrity of issuer-generated EPDW data reported for premiums and the APTC program;
- (2) Identify potential CMS APTC payment errors resulting from issuer data reporting errors; and
- (3) Test accuracy and integrity of issuer processes for reducing an enrollee's share of premium to account for APTCs.

## **D. Scope and Methodology**

CMS selected Anthem for an audit to assess the issuer's compliance with 45 CFR §§ 155.1210, 156.460 and 156.480. CMS evaluated Anthem's activities related to the 2016 benefit year (January 1, 2016, through December 31, 2016) individual market data reported in the final EPDW submitted in October 2018 by the issuer to CMS to support APTC payments and premium amounts.

CMS sent Anthem an electronic letter on December 19, 2019, to notify them of the scope of this audit. CMS's audit contractor sent a follow-up letter to Anthem on December 20, 2019, that identified data requirements required to conduct the audit. CMS's audit contractor reviewed the audit data file submitted by Anthem, as well as the final 2016 EPDW submitted by the issuer to CMS and the PLR data submitted by the SBE to CMS and used CMS's audit procedures to assess compliance with APTC program rules and regulations<sup>2</sup>.

CMS's audit contractor applied CMS's audit protocol to identify the findings and observations listed in section IV of this report. CMS's audit contractor performed the following procedures:

- Validations of the Payment Desk Audit File<sup>2</sup> data submitted to CMS:
  - EPDW Validations: Review and comparison of the issuer's final submitted 2016 EPDW to the Payment Desk Audit File from the issuer's systems.
  - Unreconciled Subscribers Review: Review and comparison of the subscribers reported in the Payment Desk Audit File to the subscribers included in the SBE's PLR data to determine if the subscribers existed and their coverage was effectuated in the issuer's system (i.e., the amount the subscriber is responsible to pay toward the first month's total premium amount has been paid in full by the subscriber).
  - Duplicate Exchange-assigned Subscriber IDs Check: Review of the Payment Desk Audit File containing subscriber level data from the issuer's systems to verify that duplicate Exchange-assigned subscriber IDs (i.e., Exchange-assigned subscriber IDs that were reported in the file twice in the same month with full month or incorrectly prorated payment data) were not reported in the file.
  - Proration Check: Review of the Payment Desk Audit File to verify that the subscribers' premium and APTC amounts reported in the file for partial months of enrollment were appropriately prorated, if applicable (i.e., if the issuer applied proration for the 2016 benefit year).
  - Premium Less than APTC Validation: Review of the Payment Desk Audit File to verify that the subscribers' premium amounts reported in the file were not less than the APTC amounts reported in the file.
  - Coverage Days Validation: Review of the Payment Desk Audit File to verify that enrollments of five (5) days or fewer reported in the file were effectuated and had active coverage in the issuer's systems.
- Validations on samples of issuer's systems data:
  - Forty-five (45) Subscribers Sample Review: Review and comparison of the coverage periods, premium and APTC amounts from the issuer's systems to the corresponding data included in the SBE's PLR data for a selected sample of forty-five (45) subscribers.
  - Fifteen (15) Subscribers Sample Review: Analysis and review of data and documentation from the issuer's systems to verify effectuation and the appropriate application of premium and APTC amounts to policies for a selected sample of fifteen (15) subscribers.
- Policy and Procedure Review: Review of issuer APTC policies and procedures for completeness and clarity.

---

<sup>2</sup> The Payment Desk Audit File is CMS's standard document for issuers to provide information in support of this audit.

---

### **III. RESULTS OF REVIEW**

---

CMS assessed issuer compliance with regulations using the following procedures: EPDW Validations, Unreconciled Subscribers Review, Duplicate Exchange-assigned Subscriber IDs Check, Proration Check, Premium Less than APTC Validation, Coverage Days Validation, Forty-five (45) Subscribers Sample Review, Fifteen (15) Subscribers Sample Review, and Policy and Procedure Review.

To build collaborative relationships and identify process improvements that support program integrity goals, CMS conducted a discrepancy phase following the review of the initial audit data submission to work with the issuer to resolve or reduce audit findings, thereby improving compliance. Additional follow-up with the SBE was performed as necessary to confirm or resolve the identified audit findings. Below are the results of this review following the discrepancy phase.

#### **EPDW Validations**

One (1) finding and one (1) observation resulted from the comparison of the final 2016 EPDW submitted by the issuer to Anthem's Payment Desk Audit File. Please refer to Finding No. 1 and Observation No. 1 included in section IV for details on the finding and observation.

#### **Unreconciled Subscribers Review**

No findings and one (1) observation resulted from the review of Anthem's Payment Desk Audit File to determine if the subscribers reported in the file existed and their coverage was effectuated in the issuer's systems. Please refer to Observation No. 2 included in section IV for details on the observation.

#### **Duplicate Exchange-assigned Subscriber IDs Check**

No findings or observations resulted from the review of Anthem's Payment Desk Audit File to verify that duplicate Exchange-assigned subscriber IDs were not reported in the file.

#### **Proration Check**

One (1) finding and one (1) observation resulted from the review of Anthem's Payment Desk Audit File to verify that correctly prorated payment data, if applicable, was reported in the file. Please refer to Finding No. 2 and Observation No. 3 included in section IV for details on the finding and observation.

#### **Premium Less than APTC Validation**

No findings or observations resulted from the review of Anthem's Payment Desk Audit File to verify that subscribers were not reported in the file with premium amounts that were less than the APTC amounts.

#### **Coverage Days Validation**

No findings and one (1) observation resulted from the review of Anthem's Payment Desk Audit File to verify that enrollments of five (5) days or fewer reported in the file were effectuated and had active coverage in the issuer's systems. Please refer to Observation No. 4 included in section

IV for details on the observation.

#### **Forty-five (45) Subscribers Sample Review**

One (1) finding and one (1) observation resulted from the review and comparison of the data from Anthem's systems to the corresponding data included in the SBE's PLR data to determine accuracy of the reported enrollment months and the application of premium and APTC for a selected sample of forty-five (45) subscribers. Please refer to Finding No. 3 and Observation No. 5 included in section IV for details on the finding and observation.

#### **Fifteen (15) Subscribers Sample Review**

No findings or observations resulted from the review of the data and documentation from Anthem's systems to verify effectuation and the appropriate application of premium and APTC amounts to policies for a selected sample of fifteen (15) subscribers.

#### **Policy and Procedure Review**

No findings or observations resulted from the review of Anthem's APTC policies and procedures.

---

#### IV. FINDINGS AND OBSERVATIONS

---

A finding is an identification of an instance of issuer non-compliance with APTC program requirements that requires correction to payment. CMS's audit procedures identified three (3) findings, which resulted in a change to the APTC amounts reported in Anthem's EPDW for individual market plans for the 2016 benefit year.

An observation is a deviation from CMS or Exchange requirements that we are calling to the attention of management for purposes of improving compliance in future program years but that does not require correction to payment. CMS's audit procedures identified five (5) observations, that resulted in a change to the premium amounts reported in Anthem's EPDW for individual market plans for the 2016 benefit year.

In light of the three (3) findings and five (5) observations, the adjusted 2016 benefit year EPDW APTC and premium amounts for individual market plans are shown in the following table.

##### **Recalculated EPDW for the 2016 Benefit Year**

|  | <b>APTC</b>     | <b>Premium (Observations)</b> |
|--|-----------------|-------------------------------|
| EPDW as Filed in October 2018  | \$20,021,151.12 | \$139,864,309.56              |
| Finding No. 1 and<br>Observation No. 1 - EPDW<br>Validations Adjustment                              | \$(18,265.12)   | \$(41,470.79)                 |
| Observation No. 2 –<br>Unreconciled Subscribers<br>Review Adjustment                                 | \$0.00          | \$(834.48)                    |
| Finding No. 2 and<br>Observation No. 3 –<br>Proration Check  | \$(809.63)      | \$(7,160.38)                  |
| Observation No. 4 –<br>Coverage Days Validation<br>Adjustment  | \$0.00          | \$(400.40)                    |
| Finding No. 3 and<br>Observation No. 5 – Forty-<br>five (45) Subscribers<br>Sample Review Adjustment | \$(199.55)      | \$164.42                      |

|                      | APTC                 | Premium (Observations) |
|----------------------|----------------------|------------------------|
| EPDW As Recalculated | \$20,001,876.82      | \$139,814,607.93       |
| <b>Total Impact</b>  | <b>\$(19,274.30)</b> | <b>\$(49,701.63)*</b>  |

**Note:** Positive APTC values indicate funds owed to the issuer.

The net financial impact of the three (3) findings is a payment due to CMS of \$19,274.30, consisting of APTC to be returned to CMS.

\*Note: The premium impact of the five (5) observations is an overstatement of \$49,701.63 in premiums. The premium impact is noted for purposes of improving compliance in future program years.

For the three (3) findings and five (5) observations, CMS documented the criteria, cause, effect, corrective actions, and Anthem's responses as seen in the charts below.

| <b>Finding No. 1 and Observation No. 1 – EPDW Validations</b> |   |
|---|---|
| <b>Condition:</b>   | <p><b>APTC Differences (Finding)</b> – For one (1) or more months of 2016 benefit year enrollment in seven (7) QHPs, the net “total APTC Amount by QHP ID for effectuated enrollments” included in Anthem’s EPDW was greater than the total APTC amount included in Anthem’s Payment Desk Audit File, resulting in an overpayment of \$18,265.12 in APTC. For the one (1) or more months of 2016 benefit year enrollment in seven (7) QHPs, the total net enrollment in the EPDW was overstated by twenty-six (26) APTC enrollment groups and sixty-four (64) APTC members.</p> <p><b>Premium Differences (Observation)</b> – For one (1) or more months of 2016 benefit year enrollment in twelve (12) QHPs, the net “total Premium Amount by QHP ID for effectuated enrollments” included in Anthem’s EPDW was greater than the total premium amount included in Anthem’s Payment Desk Audit File, resulting in an overstatement of \$41,470.79 in premiums. For the one (1) or more months of 2016 benefit year enrollment in twelve (12) QHPs, the total net enrollment in the EPDW was overstated by forty-six (46) enrollment groups and eighty-eight (88) members.</p> |
| <b>Criteria:</b>  | <p>Pursuant to CMS guidance and EPDW submission requirements:</p> <p>The “total APTC amount by QHP ID for effectuated enrollments” submitted on the EPDW is the “total APTC toward the total premium amount for effectuated enrollments within a 16-digit QHP ID.”</p>  |

| <b>Finding No. 1 and Observation No. 1 – EPDW Validations</b> |  |
|---|--|
|   | The “total premium amount by QHP ID for effectuated enrollments” submitted on the EPDW is the “total premium amount for the health coverage for all effectuated enrollments within that plan.”   |
| <b>Cause:</b>   | The issuer indicated: “the discrepancies are the result of comparing two distinct sources of data, the Anthem EPDW and the 1A Payment Desk Audit File. [The issuer] speculate[s] the variances are likely due to missed effectuations, missed terminations, manual 834s, midmonth financial changes, processing errors, and grievance and appeal adjustments.”                                 |
| <b>Effect:</b>  | The APTC and premium differences resulted in a change to Anthem’s final, restated 2016 benefit year EPDW data.   |
| <b>Corrective Action Required:</b>                            | <p>The net financial impact of this finding is a payment due to CMS of \$18,265.12, consisting of APTC to be returned to CMS. Anthem should confirm the financial impact by filling out Appendix 1.</p> <p>The premium impact of this observation is an overstatement of \$41,470.79 in premiums. CMS notes this observation for purposes of improving compliance in future program years.</p> |
| <b>Management Response:</b>                                   | Anthem agrees with the above finding and observation.  |

| <b>Observation No. 2 – Unreconciled Subscribers Review</b> |   |
|--|---|
| <b>Condition:</b>  | <p>Anthem overstated the 2016 benefit year premium amount for one (1) subscriber in the Payment Desk Audit File by reporting enrollment and payment data for a subscriber with coverage that was not effectuated.</p> <p>Anthem provided coverage and reported enrollment and payment data in the Payment Desk Audit File for thirty (30) subscribers who did not pay all outstanding premiums prior to the end of the three (3) month grace period.</p>  |
| <b>Criteria:</b>   | Pursuant to New York SBE guidance, “enrollment is not effectuated until CONTRACTOR receives initial payment of premium, if applicable, from the prospective enrollee and sends a confirmation 834 transaction to the STATE (the “Coverage Effective Date”). Unless required otherwise by federal law, CONTRACTOR shall provide a grace period of no less than ten (10) days to Enrollees for their initial premium payment to effectuate coverage. Initial payments received by the 10th of the month in which the initial coverage is in effect shall be |

| <b>Observation No. 2 – Unreconciled Subscribers Review</b> |   |
|--|---|
|  | <p>considered timely. Contractor will be financially responsible for any claims incurred by Enrollee during the ten (10) day grace period provided that the Enrollee pays the initial premium prior to or during such ten (10) day grace period.”</p> <p>Pursuant to 45 CFR § 156.270, a QHP issuer must return APTC paid on the behalf of such enrollee for the second and third months of the grace period if the enrollee exhausts the grace period. Additionally, if an enrollee receiving APTC exhausts the 3-month grace period in § 156.270(d) without paying all outstanding premiums, the QHP issuer must terminate the enrollee's enrollment through the Exchange on the effective date described in § 155.430(d)(4) (i.e., the last day of the first month of the 3-month grace period).</p> |
| <b>Cause:</b>  | <p>The issuer indicated that the subscriber was not effectuated in their system due to non-payment of the subscriber premium responsibility and was included in the Desk Audit file due to manual processing error.</p> <p>For the thirty (30) subscribers who did not pay all outstanding premiums prior to the end of the three (3) month grace period, the issuer provided a data extract to confirm effectuation and indicated that the issue were due to contract re-use or manual processing errors.</p>  |
| <b>Effect:</b>   | <p>The inclusion of the one (1) non-effectuated enrollment resulted in a change to Anthem’s final, restated 2016 benefit year EPDW data.</p> <p>Additionally, the issuer did not follow CMS grace period enrollment guidance and requirements as the issuer provided coverage for thirty (30) subscribers who did not pay all outstanding premiums prior to the end of the three (3) month grace period.</p>  |
| <b>Corrective Action Required:</b>                         | <p>The premium impact of this observation is an overstatement of \$834.48 in premiums. CMS notes this observation for purposes of improving compliance in future program years.</p>   |
| <b>Management Response:</b>                                | <p>Anthem agrees with the above observation.</p>  |

| <b>Finding No. 2 and Observation No. 3 – Proration Check</b> |  |
|--|--|
| <b>Condition:</b>  | <p>Anthem reported incorrectly prorated 2016 benefit year premium amounts for eighteen (18) subscribers, and incorrectly prorated 2016</p> |

| <b>Finding No. 2 and Observation No. 3 – Proration Check</b> |   |
|--|---|
|  | benefit year APTC amounts for seven (7) of those subscribers, in the Payment Desk Audit File.   |
| <b>Criteria:</b>   | Pursuant to 45 CFR § 155.240, Exchanges may establish one or more standard processes for premium calculation. Additionally, per the issuer’s policies and procedures, Anthem calculates the premium based on a 30-day month. When a policy is terminated on the 31st day, it causes a refund to generate to the member that should not be sent to them.   |
| <b>Cause:</b>  | The issuer incorrectly applied their internal mid-month change policy noted in the criteria as the Payment Desk Audit File included subscribers with incorrectly prorated premium and APTC amounts. The issuer indicated that the incorrect proration was due to mid-month termination and incorrect benefit end dates. The issuer provided the correct prorated premium and APTC amounts as well as the correct coverage dates for the subscribers that were calculated based on their internal mid-month change policy. |
| <b>Effect:</b>   | The inclusion of the incorrectly prorated payment data for the eighteen(18) subscribers resulted in a change to Anthem’s final, restated 2016 benefit year EPDW data.   |
| <b>Corrective Action Required:</b>                           | <p>The net financial impact of this finding is a payment due to CMS of \$809.63, consisting of APTC to be returned to CMS. Anthem should confirm the financial impact by filling out Appendix 1.</p> <p>The premium impact of this observation is an overstatement of \$7,160.38 in premiums. CMS notes this observation for purposes of improving compliance in future program years.</p>  |
| <b>Management Response:</b>                                  | Anthem agrees with the above finding and observation.   |

| <b>Observation No. 4 – Coverage Days Validation</b> |   |
|---|---|
| <b>Condition:</b>                                   | Anthem overstated the 2016 benefit year premium amount for one (1) subscriber in the Payment Desk Audit File by incorrectly reporting enrollment that was not effectuated.                    |
| <b>Criteria:</b>                                    | Pursuant to New York SBE guidance, “enrollment is not effectuated until CONTRACTOR receives initial payment of premium, if applicable, from the prospective enrollee and sends a confirmation |

| <b>Observation No. 4 – Coverage Days Validation</b> |   |
|---|---|
|   | <p>834 transaction to the STATE (the “Coverage Effective Date”). Unless required otherwise by federal law, CONTRACTOR shall provide a grace period of no less than ten (10) days to Enrollees for their initial premium payment to effectuate coverage. Initial payments received by the 10th of the month in which the initial coverage is in effect shall be considered timely. Contractor will be financially responsible for any claims incurred by Enrollee during the ten (10) day grace period provided that the Enrollee pays the initial premium prior to or during such ten (10) day grace period.”</p> <p>Additionally, pursuant to 45 CFR § 156.270, a QHP issuer must return APTC paid on the behalf of such enrollee for the second and third months of the grace period if the enrollee exhausts the grace period. Additionally, if an enrollee receiving APTC exhausts the 3-month grace period § 156.270(d) without paying all outstanding premiums, the QHP issuer must terminate the enrollee's enrollment through the Exchange on the effective date described in §155.430(d)(4) (i.e., the last day of the first month of the 3-month grace period).</p> |
| <b>Cause:</b>                                       | The issuer indicated that the subscriber’s termination is effective as of April 30 <sup>th</sup> and the additional month of coverage was included in the Payment Desk Audit File in error as a result of a processing error.   |
| <b>Effect:</b>                                      | The inclusion of the enrollment and payment data for the one (1) subscriber resulted in a change to Anthem’s final, restated 2016 benefit year EPDW data.   |
| <b>Corrective Action Required:</b>                  | The premium impact of this observation is an overstatement of \$400.40 in premium. CMS notes this observation for purposes of improving compliance in future program years.   |
| <b>Management Response:</b>                         | Anthem agrees with the above observation.   |

| <b>Finding No. 3 and Observation No. 5 – Forty-five (45) Subscribers Sample Review</b> |  |
|--|--|
| <b>Condition:</b>  | Anthem understated the 2016 benefit year APTC amounts for two (2) of the forty-five (45) selected subscribers and overstated the 2016 benefit year premium amounts for one (1) of the forty-five (45) selected subscribers in the Payment Desk Audit File. |
| <b>Criteria:</b>   | Pursuant to CMS guidance, the premium amount reported in the EPDW and the Payment Desk Audit File is the premium amount by   |

| <b>Finding No. 3 and Observation No. 5 – Forty-five (45) Subscribers Sample Review</b> |   |
|--|---|
|  | <p>16-digit QHP ID for the effectuated enrollment within a qualified health plan.</p> <p>Pursuant to CMS guidance, the APTC amount reported in the EPDW, and Payment Desk Audit File is the APTC amount toward the total premium amount for effectuated enrollments.</p>  |
| <b>Cause:</b>  | The issuer indicated a processing error occurred as the reason for the incorrect APTC and premium amounts and provided screens prints to verify enrollment and financial amounts.   |
| <b>Effect:</b>   | The inclusion of the incorrect APTC amount for two (2) subscribers and incorrect premium amount for one (1) subscriber resulted in a change to Anthem's final, restated 2016 benefit year EPDW data.  |
| <b>Corrective Action Required:</b>   | <p>The net financial impact of this finding is a payment due to Anthem of \$199.55, consisting of APTC paid to Anthem. Anthem should confirm the financial impact by filling out Appendix 1.</p> <p>The premium impact of this observation is an understatement of \$164.42 in premiums. CMS notes this observation for purposes of improving compliance in future program years.</p> |
| <b>Management Response:</b>  | Anthem agrees with the above finding and observation.   |

---

## **V. MANAGEMENT RESPONSES**

---

Please provide management's response to the three (3) findings and five (5) observations identified in the draft audit report and complete the attached Appendix 1 - Issuer Management Response to Net Financial Adjustment (Appendix 1), within thirty (30) calendar days from the draft audit report date. Management's response should indicate agreement or disagreement.

### **Agreement**

If management agrees with the three (3) findings and five (5) observations, complete the "Management Response" field of the findings and observations in the draft audit report, and initial "Agree" and sign the attached Appendix 1. Return the draft audit report including Appendix 1 within thirty (30) calendar days from the draft audit report date. Upon receipt of the signed Appendix 1, CMS will finalize and publish the report on the CCIIO webpage. CMS will process the final payment adjustment amount in the next available monthly payment cycle.

### **Disagreement**

If management disagrees with the three (3) findings and corrective actions and five (5) observations, complete the "Management Response" field of the findings and observations in the draft audit report, and initial "Disagree" and sign the attached Appendix 1. Return the draft audit report including Appendix 1 and any supporting documentation that substantiates management's response within thirty (30) calendar days from the draft audit report date. This will be the final opportunity to provide information or supporting documentation to correct any inaccuracies in the report before it is finalized.

CMS will review the written explanations in the "Management Response" field of the findings and observations and any supporting documentation to determine if the report can be amended in a mutually acceptable manner. If you and CMS are unable to come to a mutually acceptable result, your response to this report will be included in the final published audit report.

Please return the updated Appendix 1 within fifteen (15) calendar days. Upon receipt of the signed Appendix 1, CMS will finalize and publish the report on the CCIIO webpage. CMS will process the final payment adjustment amount in the next available monthly payment cycle.

## Appendix 1 – Issuer Management Response to Net Financial Adjustment

Issuer HIOS ID: 80519

Issuer Name: Empire HealthChoice HMO, Inc. (Anthem)

The undersigned Chief Executive Officer (CEO), Chief Financial Officer (CFO) or other individual who can legally and financially bind this issuer has reviewed the information included in the audit report of the issuer's 2016 benefit year APTC program participation, resulting in a payment of \$19,274.30 to be returned to CMS and:

(INITIAL) CR Agrees with the audit net adjustment amount above, confirming the audit finding(s) and observation(s), if applicable, and as such this report will be considered final and published.

**OR**

(INITIAL) \_\_\_\_\_ Disagrees and requests a review of additional information that may impact the audit net adjustment amount resulting from the 2016 benefit year audit. If review is requested, CMS will consider this draft only a preliminary audit report. If the review option is selected, you must provide a written explanation with any additional documentation when you return this response within thirty (30) calendar days of the date of this draft audit report. CMS will review the written explanation and any supporting documentation to determine if the report can be amended in a mutually acceptable manner. If you and CMS are unable to come to a mutually acceptable result, your response to this report will be included in the final published audit report.

Signed: \_\_\_\_\_

## Appendix 2 – Applicable Regulations

The following table identifies the specific regulatory requirements around which CMS has organized its audits.

| Regulation  | Rules   |
|---|---|
| <b>45 CFR § 155.1210 – Maintenance of Records</b> | <p><b>(a) General.</b> The State Exchange must maintain and must ensure its contractors, subcontractors, and agents maintain for 10 years, documents and records (whether paper, electronic, or other media) and other evidence of accounting procedures and practices, which are sufficient to do the following:</p> <ul style="list-style-type: none"><li>(1) Accommodate periodic auditing of the State Exchange's financial records; and</li><li>(2) Enable HHS or its designee(s) to inspect facilities, or otherwise evaluate the State- Exchange's compliance with Federal standards.</li></ul> <p><b>(b) Records.</b> The State Exchange and its contractors, subcontractors, and agents must ensure that the records specified in paragraph (a) of this section include, at a minimum, the following:</p> <ul style="list-style-type: none"><li>(1) Information concerning management and operation of the State Exchange's financial and other record keeping systems;</li><li>(2) Financial statements, including cash flow statements, and accounts receivable and matters pertaining to the costs of operations;</li><li>(3) Any financial reports filed with other Federal programs or State authorities;</li><li>(4) Data and records relating to the State Exchange's eligibility verifications and determinations, enrollment transactions, appeals, and plan variation certifications; and</li><li>(5) Qualified health plan contracting (including benefit review) data and consumer outreach and Navigator grant oversight information.</li></ul> <p><b>(c) Availability.</b> A State Exchange must make all records and must ensure its contractors, subcontractors, and agents must make all records in paragraph (a) of this section available to HHS, the OIG, the Comptroller General, or their designees, upon request.</p> |

| Regulation   | Rules  |
|--|--|
| <p><b>45 CFR § 156.460 - Reduction of enrollee's share of premium to account for advance payments of the premium tax credit</b></p>                      | <p><b>(a) Reduction of enrollee's share of premium to account for advance payments of the premium tax credit.</b> A QHP issuer that receives notice from the Exchange that an individual enrolled in the issuer's QHP is eligible for an advance payment of the premium tax credit must—</p> <p>(1) Reduce the portion of the premium charged to or for the individual for the applicable month(s) by the amount of the advance payment of the premium tax credit;</p> <p>(2) Notify the Exchange of the reduction in the portion of the premium charged to the individual in accordance with § 156.265(g); and</p> <p>(3) Include with each billing statement, as applicable, to or for the individual the amount of the advance payment of the premium tax credit for the applicable month(s), and the remaining premium owed.</p>   |
| <p><b>45 CFR § 156.480 - Oversight of the administration of the cost-sharing reductions and advance payments of the premium tax credit programs.</b></p> | <p><b>(a) Maintenance of records.</b> An issuer that offers a QHP in the individual market through a State Exchange must adhere to, and ensure that any relevant delegated entities and downstream entities adhere to, the standards set forth in § 156.705 concerning maintenance of documents and records, whether paper, electronic, or in other media, by issuers offering QHPs in a Federally-facilitated Exchange, in connection with cost-sharing reductions and advance payments of the premium tax credit.</p> <p><b>(b) Annual reporting requirements.</b> For each benefit year, an issuer that offers a QHP in the individual market through an Exchange must report to HHS, in the manner and timeframe required by HHS, summary statistics specified by HHS with respect to administration of cost-sharing reduction and advance payments of the premium tax credit programs, including any failure to adhere to the standards set forth under § 156.410(a) through (d), § 156.425(a) through (b), and § 156.460(a) through (c) of this Part.</p> <p><b>(c) Audits.</b> HHS or its designee may audit an issuer that offers a QHP in the individual market through an Exchange to assess compliance with the requirements of this subpart.</p> |

| Regulation  | Rules  |
|---|--|
| <p><b>45 CFR § 156.705 – Maintenance of records for Federally-facilitated Exchanges</b></p> | <p>(a) <b>General standard.</b> Issuers offering QHPs in a Federally-facilitated Exchange must maintain all documents and records (whether paper, electronic, or other media) and other evidence of accounting procedures and practices, necessary for HHS to do the following:</p> <p>(1) Periodically audit financial records related to QHP issuers' participation in a Federally-facilitated Exchange, and evaluate the ability of QHP issuers to bear the risk of potential financial losses; and</p> <p>(2) Conduct compliance reviews or otherwise monitor QHP issuers' compliance with all Exchange standards applicable to issuers offering QHPs in a federally-facilitated Exchange as listed in this part.</p> <p>(b) <b>Records.</b> The records described in paragraph (a) of this section include the sources listed in § 155.1210(b)(2), (3), and (5) of this subchapter.</p> <p>(c) <b>Record retention timeframe.</b> Issuers offering QHPs in a Federally-facilitated Exchange must maintain all records referenced in paragraph (a) of this section for 10 years.</p> <p>(d) <b>Record availability.</b> Issuers offering QHPs in a Federally-facilitated Exchange must make all records in paragraph (a) of this section available to HHS, the OIG, the Comptroller General, or their designees, upon request.</p> |

### Appendix 3 – Glossary of Terms and Acronyms

| <b>Terms &amp; Acronyms</b> | <b>Definition</b>                                |
|-----------------------------|--|
| <b>ACA</b>                  | Patient Protection and Affordable Care Act       |
| <b>APTC</b>                 | Advance Payments of the Premium Tax Credit       |
| <b>CEO</b>                  | Chief Executive Officer                          |
