Subject: New Website Fields for Medicare Plan Finder (MPF) Display (CY 2027)

CMS has released two new **optional** website address fields in HPMS for organizations that would like this information displayed on MPF:

- Evidence of Coverage (EOC) Website Address
- Summary of Benefits (SB) Website Address

Entering or updating these website fields does **not** impact the bid submission process. Plans may add or edit these fields at any time throughout the year.

Where to enter this information in HPMS:

HPMS > Bid Submission > Marketing Data > Edit Marketing Data

For questions, please contact the HPMS Help Desk at HPMS@cms.hhs.gov.

Thank you.
