Date: June 16, 2026

Subject: HPMS Crosswalk Exception Requests for Contract Year 2027 - Round 2 Reminder

This is a reminder that organizations have an additional opportunity to request an HPMS crosswalk exception for CY 2027. Organizations are strongly encouraged to carefully review their CY 2026 to CY 2027 crosswalks, as this is the last time organizations may modify their crosswalks.

Organizations will be able to submit crosswalk exception requests in HPMS **until Thursday, June 18, 2026, at 5:00 p.m. ET.** Requests may only be submitted via HPMS.

To access the crosswalk exception functionality, organizations should use the following navigation path: HPMS > Plan Bids > Bid Submission > Contract Year 2027 > Upload > Plan Crosswalk Exceptions.
