Subject: IRE Appeals Decision Database Update

Starting June 1, 2026, the Medicare Part C and Part D Independent Review Entity (IRE) decision database on CMS.gov will be updated to include decisions issued on or after May 1, 2026.

Decisions issued between the time the database was paused (May 5, 2025 for Part C and November 13, 2025 for Part D) and April 30, 2026, will not be available. The database can be accessed at <https://www.cms.gov/medicare/appeals-grievances/appeals-decision-search-part-c-d>.

For questions regarding the database, please contact: <https://appeals.lmi.org>
