Subject: Release of Medicare Advantage Encounter Data Report Card, Q1 2026

Encounter Data Report Cards have been sent to Medicare Advantage Organizations (MAOs) since 2019 to help plans review instances where their encounter data submission patterns appear particularly low and for which technical assistance and feedback from CMS may be appropriate.

The Medicare Advantage Encounter Data Report Cards for Q1 2026 are available at:

HPMS Home Page > Risk Adjustment > Encounter Data > Encounter Data Report> 2026 May Update

If you have questions about your Encounter Data Report Cards, please email RiskAdjustmentOperations@cms.hhs.gov with the subject line “Report Card Q1 2026 Update.”
