SUBJECT: Release of the Contract Year 2027 Plan Correction Module

The Centers for Medicare & Medicaid Services (CMS) announces the release of the Health Plan Management System (HPMS) Plan Correction module. Organizations will use this module to submit plan correction requests for Contract Year (CY) 2027 Medicare Advantage (MA) and Prescription Drug plan benefit packages (PBP). Please note that only contracts approved by CMS appear in the Plan Correction module and are available for correction.

Please use the Bid Status History Report, which can be found at HPMS Home Page > Plan Bids > Bid Reports > CY 2027 > Bid Status History Report, to review the status of your contract.

The Plan Correction module opens on September 4, 2026 at 12:00 a.m. EDT and closes on September 24, 2026 at 11:59 p.m. EDT. Only changes to the PBP that are supported by the Bid Pricing Tool (BPT) may be requested during the plan correction period. Users can access this module at HPMS Home Page > Plan Bids > Plan Corrections > Contract Year 2027.

As with past years, organizations that submit plan corrections may be subject to compliance action and may be suppressed in Medicare Plan Finder until the issue(s) is corrected.

Please see the contact list below for questions regarding the plan correction process.
