

## **HPMS E-Mail**

**Date:** January 29, 2026

**Subject:** REMINDER: Deadline for Submitting Risk Adjustment Data for Use in Risk Score Calculation Runs for Payment Year 2025

This is a reminder that the final risk adjustment data submission deadline for Payment Year (PY) 2025 (i.e., 2024 dates of service) is 8 pm ET on February 2, 2026. Risk adjustment data (Risk Adjustment Processing System (RAPS) Data and Encounter Data System (EDS) Data) submitted after this deadline will not be reflected in the 2025 final risk score run. CMS will not make additional payments for diagnoses received after the final risk adjustment data submission deadline (42 CFR 422.310(g)).

See the April 28, 2025 HPMS memo, "Deadline for Submitting Risk Adjustment Data for Use in Risk Score Calculation Runs for Payment Years 2025, 2026, and 2027" for additional information.
