

What do you say when asked about new Medicare Prescription Drug Coverage?

Beginning in January all your Medicare patients can get help from Medicare with their prescription drug costs. We want to help you answer questions you might get from your Medicare and Medicaid patients. There are local resources available for your patients to go to for more help.

- Visit www.medicare.gov to get personalized information through to Medicare Rx Plan Finder. Your patients should have their Medicare information, list of medicines and address of their local pharmacy with them before they start.
- Call 1-800-677-1116 or visit www.eldercare.gov to find local counselors.
- Call **1-800-Medicare** to speak to a counselor.

If you need more information for your practice, go to
