## MEDICARE DRUG BENEFIT AND C & D DATA GROUP

---

DATE: October 22, 2014

TO: All Part C and D Plan Sponsors

FROM: Amy K. Larrick  
Acting Director, Medicare Drug Benefit and C & D Data Group

SUBJECT: Plan Preview of Display Measures in HPMS

Part C and Part D sponsors can preview their display measure data in HPMS prior to posting on the CMS website. The display measure plan preview will be held from **October 22 – November 5, 2014**. Appendix A contains a list of all display measures for 2015.

Similar to last year, CMS has also included a separate data page which contains the HEDIS 2014 data submitted by contracts that had less than 1,000 enrolled in July 2013. There is a separate Technical Notes document to cover this additional data. Appendix B contains a list of these measures for 2015.

- To access the Part C Display Measures preview in HPMS, from the navigation bar select: “Quality and Performance”, then “Part C Performance Metrics”, then “Display Measures”.
- To access the Part D Display Measures preview, from the navigation bar select: “Quality and Performance”, then “Part D Performance Metrics and Reports”, then “Display Measures”.

You can access both Part C & D 2015 Display measures from either of the navigation paths.

In late November, the 2015 display measures will be available on <http://www.cms.gov> under “Medicare,” “Prescription Drug Coverage – General Information,” “Part C and D Performance Data”. The Technical Notes will also be available via that link. Similar to last year, this year’s Display Measure Technical Notes encompass both Part C & D display measure information.

In contrast to the Star Ratings available on the Medicare Plan Finder tool on [www.medicare.gov](http://www.medicare.gov), information about sponsors’ performance on these measures will be displayed without any assignment of Star Ratings.

Please email any comments or questions on the Part C & D or HEDIS display measures to [PartCandDStarRatings@cms.hhs.gov](mailto:PartCandDStarRatings@cms.hhs.gov). Please include “Display Measures” and a contract ID in the subject line.

Thank you for your continued commitment to ensure the success of the Medicare Advantage and Prescription Drug Programs.

## **Appendix A: 2015 Display Measures**

### **Part C**

- DMC01 Follow-up Visit after Hospital Stay for Mental Illness (within 30 days of discharge)
- DMC02 Call Answer Timeliness
- DMC03 Antidepressant Medication Management (6 months)
- DMC04 Continuous Beta Blocker Treatment
- DMC05 Appropriate Monitoring for Patients Taking Long Term Medications
