This message is being sent to serve as a reminder of your financial filing obligation under CMS' Fiscal Soundness Reporting Requirements. Specifically, all Medicare Advantage Organizations (MAOs) and Cost reimbursed plans that were operational in 2005 must provide CMS with their Annual Audited Financial Statements before May 1, 2006. The detailed filing instructions, all contact information, and frequently asked questions are available at the website below under "Downloads". If you have any questions or concerns, please send them to our financial reporting e-mail address at:
