Subject: Part D Plan to Plan (P2P) Reconciliation Process Satellite Broadcast/  
Webcast

On September 7, 2006 (1:00-3:00 PM EST), CMS will host a satellite/webcast on the Plan to Plan (P2P) Reconciliation process for Part D. The presenters for this program are Tracey McCutcheon, Deputy Director, Medicare Drug Benefit Group and Jeffrey Grant, Director, Division of Payment Systems. The broadcast will cover P2P policy, data submission from plans to CMS, CMS reporting to plans, and payment exchanges between plans. There will be a question and answer session at the end of the broadcast.

The satellite broadcast/webcast will proceed with the assumption that all participants are familiar with the basic Prescription Drug Event (PDE) data process, including plan submission and CMS editing and reporting. The requirements for PDE data submission and P2P Reconciliation are found at:
