Dear <Name>:

This letter is about an error in your Medicare Advantage Plan premium payments. We reviewed information about your Medicare Advantage Plan enrollment for 2006 and/or 2007. Our review shows that not enough money is being withheld from your Social Security payments to pay your Medicare Part B premiums. This error will be corrected and, therefore, your Social Security payments will be lower beginning with your December 2007 payment.

Our review also shows that, because of this error, not enough money was withheld from your Social Security payments in 2006 and/or 2007 to pay your premiums. You don't need to take any action now to correct this. You will receive more detailed information in 2008 about any amount you may owe for your past premiums in 2006 and/or 2007 and how this will be handled.

Please know that you still have your Medicare coverage. We apologize for any inconvenience. If you have any questions about this letter, please call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
