**Subject:** Chronic Care Improvement Program and Quality Improvement Projects Training Calendar for 2011

As promised in our August 18, 2011, memorandum entitled "2010 Chronic Care Improvement Program (CCIP) and Quality Improvement Projects (QIP) Results and Information for 2012 CCIP and QIP Submissions," CMS has scheduled training sessions to help with the development of CCIPs and QIPs from 2:00 - 4:00 p.m. EST on December 7, 2011 for the CCIP Reporting Tool and from 2:00 - 4:00 p.m. on December 14, 2011 for the QIP Reporting Tool.

In addition, CMS will host a technical assistance session on January 24, 2012, from 1:00 - 3:00 p.m. EST. Registration and conference call information for all trainings will be provided in the near future. Webinar access will also be available.

We look forward to your participation in the sessions and thank you for your continued commitment to providing high quality care to Medicare beneficiaries.
