Subject: **Data Validation Instructions for Viewing CY 2012 MTM Program Beneficiary-Level Data**

This is to inform Data Validation reviewers of the steps necessary to view CY 2012 Medication Therapy Management (MTM) Program beneficiary-level data. To view these data, Data Validation reviewers should enter HPMS and from the HPMS homepage select:

Quality and Performance > Part D Performance Metrics and Reports > MTMP Gentran Submissions > Contract Number

Reviewers please note that you should only use data that were entered and are visible in HPMS to develop your findings. You should not rely on printouts or other data provided by the Sponsor. This applies to all sections, and is not limited to the MTM Program section.

HPMS technical questions should be directed to the HPMS Helpdesk mailbox at hpms@cms.hhs.gov.

Thank you.
